Midwest Business International Internship Consortium (MBIIC)
School of Business
International Internship Program
Application Packet

The School of Business of The University of South Dakota, Central Missouri State University, and Wichita State University (collectively constituting the Midwest Business International Internship Consortium) are requesting this information to help match you with the needs of an international employer. Responses to all items are required to permit your application to be considered. Any falsified information may result in disqualification of your application. Your signature below: 1) certifies that all information contained in your application is true, original, and correct, 2) authorizes the consortium to release your application material to prospective employers, 3) commits you to reimburse, in full, the Universities for payment of airfare and stipend within sixty (60) calendar days after your return to the United States should you fail to complete your internship and, 4) authorizes the Universities to publicize your name in connection with the International Internship Program.
