☐ **Cooperative Education/Internship**
You work 40 hours per week for one semester or 20 hours per week for two semesters in a co-op or internship.
- You must enroll in a zero or one credit hour “Co-op Education” course in your department.
- The activity is signed by the Career Development Center.
- Visit wichita.edu/careerdevelopment for more information.
- Submit form with signature for departmental approval.

☐ **Service Learning**
You participate in an approved project as part of a credit bearing class that uses engineering or computer science skillsets and serves a community need (please obtain preliminary approval of these activities by the instructor).
- Submit a service learning form to course instructor for approval.
- Opportunities may exist for service learning in existing classes (such as senior design projects, ENGR 202).
- Submit form with signature for departmental approval.

☐ **Undergraduate Research**
You work under the supervision of a faculty member, who approves the activity, either as an undergraduate researcher for one semester, or complete an independent study.
- Submit form with signature for departmental approval.
