Emcees

Hosting Hippodrome isn't something we would trust to just anyone! We want the best of the best from our student body to serve as Hippodrome emcees each year. The Campus Traditions committee will host tryouts for 2 emcee sports each year for Hippodrome. These emcees will either host the opening performance on Wednesday, April 9th or Thursday, April 10th.

SAC will be recruiting for emcees starting in January and will host auditions during the week of February 17th (date, time and location TBD). The only thing you need to do in order to audition is sign up in Student Involvement, RSC 262 and show up for your audition time. Here is some information to know and consider:

- You will need to be available to host Hippodrome on either Wednesday, April 9th or Thursday, April 10th.
  - The show starts at 7pm in the CAC Theater
- If you and a friend want to audition together to host both nights as a pair, we are open to that idea.
- Emcees need to come to at least two (2) rehearsal dates in order to get a better idea of what the performances look like and to practice.
  - Technical Rehearsals will be on Tuesday and Wednesday, April 1 & 2
  - Dress Rehearsal will be on Tuesday, April 8
- Emcees are given introductions for performances but need to be able to talk and/ or joke with the audience in between each performance.
- Each emcee MUST stay in contact with our committee so that we can obtain all of your information for the playbill, rehearsals, performances, etc.
- Each emcee is compensated $75 for their services.
