1. If you are (or were) a Wichita State Graduate Student

- If you have been admitted/enrolled as a graduate student in the past, but it has been a while (2 years or more) since you attended WSU, go to www.wichita.edu/reactivation to reactivate your record.

- If it has only been a year or two since you took a WSU class, then you should be able to log in to myWSU by managing your password (it expires every 90 days, so your old one won’t work anymore, but you can set a new one).

Are you not sure if you have taken graduate courses at WSU before? Before you submit an application, please contact Jane Hodge (316-978-6248 or jane.hodge@wichita.edu) in the Graduate School so she can check your status and let you know what you need to do.
