Grounds for Dismissal from Field Experiences

Candidates in a teacher education program participating in a clinical experience as a part of their degree program are expected to conduct themselves in accordance with the requirements and expectations of their degree program. Candidates in a teacher education program should likewise not engage in unprofessional conduct or unlawful behaviors. In view of these expectations, students in a teacher education program participating in a clinical experience who are unable to meet these academic standards, as judged by faculty and cooperating teachers, may receive a failing grade and/or face possible removal from their particular clinical/field experience:

1. Candidates may not engage in any inappropriate interactions with pupils, guardians of pupils enrolled in the school, or school or university personnel during the clinical experience. If you feel you are under any pressure to engage in inappropriate social activity, contact your university supervisor.
2. Candidates’ social interactions and communications, including use of cellular phones, Email, and the internet with school pupils, or guardians of pupils enrolled in the school, or school or university personnel, should be limited to those occurring in an official capacity at officially sponsored school events or sites.
3. Candidates may not be in the possession of or under the influence of alcoholic beverages, illegal drugs or dangerous weapons or substances on school property, nor with or in the presence of any school pupil(s).
4. Candidates may not use sexually explicit, obscene, profane, abusive, or derogatory language on school premises or at school sponsored events; nor may they suggest access to inappropriate material (e.g., on the Internet).
5. Candidates may not escort or transport pupils off school property unless accompanied by the cooperating teacher or another full-time employee assigned by the principal.
6. Candidates may not leave school early, be late to school or seminars, or have absences on a consistent basis.
7. Candidates may not falsify, forge, or alter any documents pertaining to academic records, including evaluation reports.

In addition, if at any time your conduct causes the cooperating teacher, the principal, or the university supervisor to determine that your presence in the classroom has become detrimental to the educational program of the pupils in the class, your actions will be reviewed by a field experience review team comprised of school and university officials and/or you may be asked to leave the school and your placement could be terminated by the University.

Should you be asked to leave the school based upon your behavior or your failure to perform at a satisfactory level, Wichita State University is not obligated to reassign you to another school. Failure to abide by these regulations may result in any of the following consequences: removal from field experiences, judicial action by Wichita State University, legal action, and/or failure of course work.

I have read and am aware of WSU’s Guidelines for Professional Conduct during Field Experiences and Grounds for Dismissal from Field Experiences.

Student Acknowledgement and Authorization Regarding Field Experience

Wichita State University College of Education requires all prospective teacher education candidates to pass a criminal background check that they obtain at their own expense. A current Substitute Teaching license will be accepted.

I am informed and understand, accept, and agree to abide by the following:

1. I understand that I am required to consent to a background check which may include, but is not limited to an investigation regarding whether I am registered as a sex offender and whether my criminal history raises reasonable questions about my ability to obtain a license in the State of Kansas.

2. I understand that passing the criminal background required at application to teacher education does not replace nor ensure I will pass the Kansas Department of Education (KSDE) background check required when applying for licensure.

3. I understand I am required to obtain and pay for all background checks and criminal history investigations as an applicant to the Wichita State University Teacher Education Program.

4. I understand that I am required to have such information forwarded directly to the College of Education at Wichita State University.

5. In the event that information regarding my background check and/or criminal history investigation is provided to Wichita State University, I understand that officials of Wichita State University may review such material to determine whether any information discovered during any background check or criminal history investigation renders it reasonably questionable whether I will be able to obtain a license in the State of Kansas.

6. I understand and hereby give my consent for Wichita State University to release information relating to my criminal history or any investigation thereof and to discuss and/or disclose the results of any background check or criminal history investigation to or with the appropriate faculty as deemed necessary or appropriate by Wichita State University.

7. I understand that Wichita State University, in its sole discretion, may make this determination, and in the event that it determines my ability to obtain a license in the State of Kansas may reasonably be questioned, I will not be allowed to participate in the required field experiences. I understand I will be given an opportunity to explain and comment to the Chair of my Academic Department at Wichita State University on the results of any background check attained pursuant to this acknowledgement and authorization; provided, however, that I understand it may be Wichita State University’s responsibility, as mandated by the State of Kansas, to make a determination as to whether or not my criminal history or other status as revealed by a background check or criminal history investigation raises reasonable questions about my ability to obtain a license in the State of Kansas. If the issue cannot be resolved, this may ultimately result in my inability to continue my admission in the above-noted academic program.

By signing herein, I acknowledge that I have read, understand and agree to abide by the statements above.
