STEP 1 – Complete the Attached Application
The name you write on your application must match the name in your passport. If possible, please send a photocopy of the page in your passport which contains your official name. If you do not yet have a passport, please write your name on your application as it will likely appear in your passport.

STEP 2 – Submit the US$100 Tuition Deposit
Your application must be accompanied by the US$100 tuition deposit. The deposit cannot be waived or paid after you arrive in Wichita. Applications that arrive without the US$100 tuition deposit will not be processed. You may pay by check, money order, credit card, or Western Union. For details on how to pay, please see the enclosed payment form. Note: We cannot accept credit card payments from Nigerian applicants.

The US$100 tuition deposit is refundable if:
• You are not admitted to Intensive English
OR
• You notify us that you would like to cancel your admission at least 60 days before the beginning of the session for which you originally applied. Refund deadlines can be found on the next page of this application. After the refund deadline, you are not eligible for a refund of the US$100 tuition deposit, but it may be credited to a future session if you wish to request readmission.

STEP 3 – Submit the US$50 Express Mail Fee (Optional)
If you would like to have your admissions documents sent to you by express mail, please include an additional US$50 for express mail service. If you do not include the express mail fee with your application, your admissions documents will be sent to you by airmail at no extra charge. If you pay the express mail fee and you are not accepted, the US$50 express mail fee will be returned to you. Because airmail packages to Africa can sometimes take 6 weeks or longer for delivery, we highly recommend that African students pay the US$50 express mail fee to ensure fast delivery of their admission documents. Note: If you are also submitting an International Undergraduate Application, you only need to send one express mail payment of US$50 (your Intensive English and undergraduate admissions documents will be enclosed in the same envelope).

STEP 4 – Consider Applying for Academic Admission
When applying for a student visa, it may be helpful to have academic admission to an undergraduate or graduate program. For information on applying to an academic program at Wichita State University, please visit: http://www.wichita.edu/international

STEP 5 – Mail Your Application Materials to: Wichita State University
International Education
1845 Fairmount Street
Wichita, Kansas 67260-0122 USA

STEP 6 – Add international@wichita.edu to Your E-mail Address Book
Your e-mail address is very important to us! We use e-mail to notify students of the arrival of their application materials, the status of their applications, and much more. For this reason, it is very important that you provide an e-mail address on your application for admission. To ensure that our automated e-mails are delivered to you, please make sure that international@wichita.edu is added to your address book, contact list, or safe-senders list. Otherwise, our important e-mail messages may be incorrectly delivered to your Spam or Junk Folder. We process most applications in about one week, so be sure to check your e-mail often for updates from Wichita State University. Please write your e-mail address very neatly on your application form.
IMPORTANT DATES

PLEASE NOTE: You may study in Intensive English as long as it takes to obtain your needed level of proficiency — from eight weeks to over one year. If you make satisfactory progress, you will complete one level (six levels are available) every eight weeks.

IMPORTANT NOTE: The above figures are averages. Students should bring extra money for personal expenses (such as movies, clothing, school supplies, shopping, etc.). Actual housing expenditures depend on: 1) the residence hall or apartment in which the student lives, 2) whether or not the student has a roommate, and 3) the student’s meal plan. International students are required to have medical insurance. Students who do not have medical insurance when they arrive may purchase insurance during enrollment. Spring semester and March session insurance costs cover students through the summer.* Students are required to have a tuberculin (TB) test upon arrival.

*If the summer session is the student’s initial semester of enrollment, there is an additional fee of US $177.00 for medical insurance.
