- written contract signed by the parties;
- the Bid Event documents, including any and all amendments; and
- Contractor’s written offer submitted in response to the Bid Event as finalized.

1.2. **Captions**
The captions or headings in this contract are for reference only and do not define, describe, extend, or limit the scope or intent of this contract.

1.3. **Definitions**
A glossary of common procurement terms is available at http://admin.ks.gov/offices/procurement-and-contracts, under the "Procurement Forms" link.

1.4. **Contract Formation**
No contract shall be considered to have been entered into by the State until all statutorily required signatures and certifications have been rendered and a written contract has been signed by the contractor.

1.5. **Notices**
All notices, demands, requests, approvals, reports, instructions, consents or other communications (collectively "notices") that may be required or desired to be given by either party to the other shall be IN WRITING and addressed as follows:

or to any other persons or addresses as may be designated by notice from one party to the other.

1.6. **Statutes**
Each and every provision of law and clause required by law to be inserted in the contract shall be deemed to be inserted herein and the contract shall be read and enforced as though it were included herein. If through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then on the application of either party the contract shall be amended to make such insertion or correction.

1.7. **Governing Law**

1.9. **Mandatory Provisions**
The provisions found in Contractual Provisions Attachment (DA 146a) are incorporated by reference and made a part of this contract.

The rights and remedies of the State provided for in this contract shall not be exclusive and are in addition to any other rights and remedies provided by law.

1.13. **Antitrust**
If the Contractor elects not to proceed with performance under any such contract with the State, the Contractor assigns to the State all rights to and interests in any cause of action it has or may acquire under the anti-trust laws of the United States and the State of Kansas relating to the particular products or services purchased or acquired by the State pursuant to this contract.

The Contractor shall do nothing to prejudice the State's right to recover against third parties for any loss, destruction or damage to State property.

1.15. **Force Majeure**
The Contractor shall not be held liable if the failure to perform under this contract arises out of causes beyond the control of the Contractor. The usual method of verification is through the Employment Verification (I-9) Form.

The Contractor hereby certifies without exception that such Contractor has complied with all federal and state laws relating to immigration and reform. Any misrepresentation in this regard or any employment of persons not authorized to work in the United States constitutes a material breach and, at the State's option, may subject the contract to termination for cause and any applicable damages.

Unless provided otherwise herein, all contractors are expected to be able to produce for the State any documentation or other such evidence to verify Contractor's IRCA compliance with any provision, duty, certification or like item under the contract.

Failure to adequately inspect the premises shall not relieve the Contractor from furnishing without additional cost to the State any materials, equipment, supplies or labor that may be required to carry out the intent of this Contract.

1.35. **Indefinite Quantity Contract**

This is an open-ended contract between the Contractor and the State to furnish an undetermined quantity of a good or service in a given period of time. 2.1 Paper: Contractor is awarded items as per attached document:

State of Kansas agencies can also order copy paper from the State’s Office Supply vendor, Staples, under contract 37762. State agencies are advised by Procurement and Contracts that for quantities under a case and for desktop delivery, the Office Supply vendor may be better suited to their needs. For case and larger quantities delivered to one central delivery point within a state agency, this paper contract delivers better value. See Shipping and F.O.B. point, paragraph 5.9. Also see Unit of Delivery, paragraph 5.6.

2.2 Quantities: The contract shall be of the "open-end" type. The contractor shall deliver such quantities as may be ordered, and the quantities ordered will be those actually required during the contract period. 2.3 Substitutions: The ordering agency shall be immediately notified of any items not stocked or available for delivery within contractual delivery times. The agency shall have the option to acquire items not available from the contract vendor from other sources outside this contract. Excessive back-order situations may result in disqualification and re-award of contract.

2.4 Unit of Delivery: The contractor shall not be responsible to supply an item being ordered in a quantity of less than full cartons. Agencies are advised to purchase smaller requirements locally or contact the contractor(s) for their pricing on these items.

2.5 Returns: The State of Kansas reserves the right to negotiate with the contractor to return unopened cartons of copy paper at the end of the contract. The agency will pay a reasonable restocking fee (approx. 15%) plus freight charges on these items. Arrangements regarding and return of any items are to be made between the agency and the contractor within 45 days after the end of the contract.

2.6 Samples: Samples of items bid shall be made available upon request by the contracting officer. Each sample must be clearly labeled with the bidder’s name, group and item number, brand name, basis weight, and finish.

The successful vendors must supply samples and/or swatch books of their awarded item(s) to the State of Kansas’s major users and must be furnished at no expense to the state within seven (7) days after receipt of the request. The names and locations of these agencies and the number of samples and/or swatch books is included in Exhibit B, State & Regent Printers Major Users.

2.7 Shipping and F.O.B. Point: Unless otherwise specified, bid prices shall be F.O.B. DESTINATION, PREPAID AND ALLOWED (included in the price bid), which means delivered to a state agency's receiving dock or other designated point as specified in this Request without additional charge. Shipments shall be made in order to arrive at the destination at a satisfactory time for unloading during receiving hours.

2.8 Delivery: Vendors are required to be able to deliver within seven (7) days after receipt of order. Preference may be given to vendors with shorter delivery times. Delivery capabilities for all major user locations shall be included as part of the vendor’s technical proposal.

2.9 Unprinted Envelopes Specifications

General: All items furnished under this specification must (a) Be die cut or web manufacture. If envelope quoted is make ready (diagonal seam) style, then split seal gumming is required. Refer to (e) under "Construction". Vendors are to note on bid which style is being quoted. (b) Be new, unused and manufactured from "fresh" envelope stock. (c) Be of the dimensions given. (d) Be manufactured in the most thorough and workmanlike manner consistent with the highest standards of the industry.
Paper Stock: All paper stock from which envelopes are manufactured shall be clean and free from imperfections and shall be suitable for writing on with ink. Brown Kraft envelopes shall be manufactured from unglazed stock containing 100% sulphate pulp. White wove envelopes shall be manufactured from No. 1 bond (brightness of 87), unglazed stock, free from unbleached or ground wood pulp; the ash shall not exceed 10%; the opacity shall be not less than 86%.

Construction: The construction of all items shall be in accordance with industry standards for manufacture of top-quality envelopes. Receipt of items manufactured from inferior materials or showing poor or careless workmanship will be considered "just cause" for cancellation of the contract. (a) The sealed flaps or seams shall be sufficiently wide to insure strength and sealed with such quantity and quality of adhesive to effect perfect and permanent adhesion. (b) Care must be exercised to prevent an excessive amount of adhesive on the seams, causing the seams to adhere to the inside of the envelope. (c) All adhesives used shall be free from ingredients which would tend to discolor the paper; they shall be clean and free from offensive odor; and they shall be of such consistency that they prevent curling of the envelopes after drying or premature adhesion of the sealing flaps. (d) Windows, where specified, shall be covered on the inside with a transparent window material glued securely on all edges so as not to interfere with insertion of contents. The transparent polystyrene window material shall be free of any condition which would prevent the address from being distinctly legible. (e) Commercial and Executive style envelopes shall be suitable for printing (offset, laser, etc.), automatic addressing, automatic insertion of material, and automatic sealing with all equipment in use by the State of Kansas.

Packaging: Envelopes are to be packaged with the top of the envelope at the top of the box. All items shall be packaged in quantities known as "standard" to the industry, in chipboard boxes and corrugated or fiber shipping containers. (a) Each box shall be labeled or otherwise clearly marked to indicate (1) manufacturer; (2) quantity contained in the box; (3) type of envelope; (4) size of envelope; and (5) basis weight of the envelope stock.

Printing: Imprinting of envelope items is not included in the specifications. No payments for imprinting will be authorized by the Director of Purchases.

3. Contractual Provisions Attachment
DA-146a Rev. 06/12

3.1. Terms Herein Controlling Provisions
   It is expressly agreed that the terms of each and every provision in this attachment shall prevail and control
   over the terms of any other conflicting provision in any other document relating to and a part of the contract
   in which this attachment is incorporated. Any terms that conflict or could be interpreted to conflict with this
   attachment are nullified.

3.2. Kansas Law and Venue
   This contract shall be subject to, governed by, and construed according to the laws of the State of Kansas,
   and jurisdiction and venue of any suit in connection with this contract shall reside only in courts located in
   the State of Kansas.

3.3. Termination Due To Lack Of Funding Appropriation
   If, in the judgment of the Director of Accounts and Reports, Department of Administration, sufficient funds
   are not appropriated to continue the function performed in this agreement and for the payment of the
   charges hereunder, State may terminate this agreement at the end of its current fiscal year. State agrees to
   give written notice of termination to contractor at least 30 days prior to the end of its current fiscal year, and
   shall give such notice for a greater period prior to the end of such fiscal year as may be provided in this
   contract, except that such notice shall not be required prior to 90 days before the end of such fiscal year.
   Contractor shall have the right, at the end of such fiscal year, to take possession of any equipment provided
   State under the contract. State will pay to the contractor all regular contractual payments incurred through
   the end of such fiscal year, plus contractual charges incidental to the return of any such equipment. Upon
   termination of the agreement by State, title to any such equipment shall revert to contractor at the end of the
   State's current fiscal year. The termination of the contract pursuant to this paragraph shall not cause any
   penalty to be charged to the agency or the contractor.

3.4. Disclaimer Of Liability
   No provision of this contract will be given effect that attempts to require the State of Kansas or its agencies
   to defend, hold harmless, or indemnify any contractor or third party for any acts or omissions. The liability of
   the State of Kansas is defined under the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.).

3.5. Anti-Discrimination Clause
   The contractor agrees: (a) to comply with the Kansas Act Against Discrimination (K.S.A. 44-1001 et seq.)
   and the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111 et seq.) and the applicable
   provisions of the Americans With Disabilities Act (42 U.S.C. 12101 et seq.) (ADA) and to not discriminate
   against any person because of race, religion, color, sex, disability, national origin or ancestry, or age in the
   admission or access to, or treatment or employment in, its programs or activities; (b) to include in all
   solicitations or advertisements for employees, the phrase "equal opportunity employer"; (c) to comply with
   the reporting requirements set out at K.S.A. 44-1031 and K.S.A. 44-1116; (d) to include those provisions in
   every subcontract or purchase order so that they are binding upon such subcontractor or vendor; (e) that a
   failure to comply with the reporting requirements of (c) above or if the contractor is found guilty of any
   violation of such acts by the Kansas Human Rights Commission, such violation shall constitute a breach of
   contract and the contract may be cancelled, terminated or suspended, in whole or in part, by the contracting
   state agency or the Kansas Department of Administration; (f) if it is determined that the contractor has
   violated applicable provisions of ADA, such violation shall constitute a breach of contract and the contract
   may be cancelled, terminated or suspended, in whole or in part, by the contracting state agency or the
   Kansas Department of Administration.

   Contractor agrees to comply with all applicable state and federal anti-discrimination laws.

   The provisions of this paragraph number 5 (with the exception of those provisions relating to the ADA) are
   not applicable to a contractor who employs fewer than four employees during the term of such contract or
whose contracts with the contracting State agency cumulatively total $5,000 or less during the fiscal year of such agency.

3.6. **Acceptance Of Contract**
This contract shall not be considered accepted, approved or otherwise effective until the statutorily required approvals and certifications have been given.

3.7. **Arbitration, Damages, Warranties**
Notwithstanding any language to the contrary, no interpretation of this contract shall find that the State or its agencies have agreed to binding arbitration, or the payment of damages or penalties. Further, the State of Kansas and its agencies do not agree to pay attorney fees, costs, or late payment charges beyond those available under the Kansas Prompt Payment Act (K.S.A. 75-6403), and no provision will be given effect that attempts to exclude, modify, disclaim or otherwise attempt to limit any damages available to the State of Kansas or its agencies at law, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.

3.8. **Representative’s Authority To Contract**
By signing this contract, the representative of the contractor thereby represents that such person is duly authorized by the contractor to execute this contract on behalf of the contractor and that the contractor agrees to be bound by the provisions thereof.

3.9. **Responsibility For Taxes**
The State of Kansas and its agencies shall not be responsible for, nor indemnify a contractor for, any federal, state or local taxes which may be imposed or levied upon the subject matter of this contract.

3.10. **Insurance**
The State of Kansas and its agencies shall not be required to purchase any insurance against loss or damage to property or any other subject matter relating to this contract, nor shall this contract require them to establish a “self-insurance” fund to protect against any such loss or damage. Subject to the provisions of the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.), the contractor shall bear the risk of any loss or damage to any property in which the contractor holds title.

3.11. **Information**
No provision of this contract shall be construed as limiting the Legislative Division of Post Audit from having access to information pursuant to K.S.A. 46-1101 et seq.

3.12. **The Eleventh Amendment**
"The Eleventh Amendment is an inherent and incumbent protection with the State of Kansas and need not be reserved, but prudence requires the State to reiterate that nothing related to this contract shall be deemed a waiver of the Eleventh Amendment.”
