Here we are at the start of another year! Can you believe 2015 has come and gone? We have celebrated the holidays and now we are back to reality. I hope everyone is already having a very blessed and prosperous year—leaving behind the old and anticipating the new! Let’s begin by showing more love and compassion for our fellow human beings! Express random acts of kindness and good will, and if we all try just a little bit harder, we can turn things around! But it takes all of us in order to get this daunting task done! I would like to thank everyone who attended our holiday luncheon at the Wichita Country Club and those who have pledged continuing support for this great organization. It was so nice to have guests, new members and wonderful entertainment! Thanks to Barbara Kae for this fantastic newsletter and to “T” Thelma Borresen for arranging everything for the luncheon including the beautiful table centerpieces that were given as door prizes. The holiday luncheon would not have been such a success without everyone’s support and commitment! So, let’s keep our sleeves rolled up and make an even bigger commitment to strive to be better Women’s Association members this year! 

**May you all have a Happy and Prosperous 2016!**
