Federal regulations 34 CFR 668.164(i) requires an institution to provide a way for Federal Pell grant eligible students to obtain means to purchase books and supplies by the 7th day of a payment period, if that student was eligible for their funds to be disbursed and if those funds would have created a credit refund balance for the student. In order to comply with this regulation, students who met this criteria may come to Room 201, Jardine Hall and receive a paper check in the event funds have not yet been received by the 7th day of the payment period. For additional information, and to check for eligibility please refer to the chart below.
