GENERAL EDUCATION

**Issues and Perspectives courses and Further Study in the Disciplines: 3 Courses**

*Issues and Perspective courses* address broad issues and often use a multidisciplinary or interdisciplinary approach. *Further Study courses* are more focused studies in the various disciplines outside a students’ major that allow them to follow up on interests developed in the introductory courses.

Students must take at least one Issue and Perspectives course and at least one Further Study course. The three courses must also be distributed over at least two different divisions. Any Issues and Perspective course may be counted toward any of the divisions.

**Issues and Perspective Courses:**

**One or Two Courses**
