The Department of Chemistry at California State University, Fresno invites applications for a tenure track position in Organic Chemistry at the Assistant Professor level beginning August 2007. A Ph.D. with specialization in experimental organic chemistry or a closely related field is required and postdoctoral experience is preferred. Applicants should submit an introductory letter, vita, copies of graduate/undergraduate transcripts, statements of teaching philosophy and research interests (including an estimate for the startup budget), and arrange for three letters of recommendation to be sent to: Dr. Saeed Attar, Chair, Organic Chemistry Search, Department of Chemistry, California State University, Fresno, M/S-SB 70, Fresno, CA 93740-8034. The review of applications will begin October 22, 2006, and will continue until the position is filled. CSUF is an OE/AA employer. Application details can be found at: www.csufresno.edu/Chemistry/search/organic.

Biochemistry

California State University, Fresno has a tenure-track opening in the Chemistry Department for an Assistant Professor in Biochemistry beginning August 2007.
