TENURE TRACK POSITION, HENDRIX COLLEGE
Applications are being accepted for a faculty appointment beginning August 2007 in the Department of Chemistry. Candidates must be committed to excellence in teaching and biochemical research. Ph.D. required, postdoctoral experience preferred. Competitive start-up funding and research time assignment provided in new facilities. The successful candidate will teach biochemistry and participate in general chemistry and non-majors chemistry courses. While the appointment will likely be at the level of assistant professor, applications for other ranks will be considered. Details regarding this position are available at www.hendrix.edu/chemsearch. Application should include a letter addressing the candidate's interest in teaching in a demanding liberal arts environment, a detailed research plan, a curriculum vitae, three letters of recommendation (including the phone numbers and email addresses of the referees), and transcripts of all graduate and undergraduate work. Application materials should be sent to: Dr. Warfield Teague, Department of Chemistry, Hendrix College, 1600 Washington Avenue, Conway, AR 72032. Review of the applications will begin on October 16, 2006, and will continue until the position is filled. Hendrix is a distinguished liberal arts college with an endowment of $160 million, sheltering a chapter of Phi Beta Kappa, located in Conway, Arkansas, thirty miles from Little Rock at the foothills of the Ozark Mountains. The College, related to the United Methodist Church, has a strong commitment to excellence in teaching liberal arts. Hendrix is an equal opportunity employer. Women and members of minority groups are especially encouraged to apply. Please visit our website at www.hendrix.edu.
