The Department of Chemistry and Biochemistry of UC San Diego (http://chem.ucsd.edu) invites applications for tenure-track faculty positions in Inorganic Chemistry at the Assistant Professor level. Candidates must have a Ph.D. in inorganic chemistry or a related field and a demonstrated ability for creative research and teaching at the undergraduate and graduate levels. The candidate's research may encompass any area of inorganic chemistry. Salary is commensurate with qualifications and based on the University of California pay scale. Candidates should send a curriculum vitae, list of publications, reprints of up to five representative papers, and a summary of research plans to: Chair, Inorganic Search Committee 4-767, UCSD Department of Chemistry and Biochemistry, La Jolla, CA 92093-0332. Candidates should also arrange to have three letters of reference sent under separate cover. Review of applications will close on November 1, 2006.

UCSD is an equal opportunity /affirmative action employer committed to excellence through diversity among its faculty and staff.
