The Department of Chemistry invites applications for full-time tenure-track positions at the Assistant, Associate, and Full Professor levels in all areas of chemistry including chemical education and the interdisciplinary areas of materials chemistry and chemical biology. Candidates will be expected to establish a high quality, externally funded research program and have a commitment to outstanding graduate and undergraduate teaching. Salary is negotiable. Ph.D. required.

Applications must be submitted online, and include a cover letter, curriculum vitae, detailed research statement and three letters of recommendation.

Details can be found at: http://www.scs.uiuc.edu/chem/news/posannounce.html (Faculty Position). All applications submitted by October 31, 2006 will receive full consideration for appointments starting August 16, 2007. Starting date is negotiable. If you have questions, please feel free to call (217)333-5071.
