---

University of Oklahoma  
Sabbatical Replacement/Visiting Lecturer

Applications are invited for the position of Sabbatical Replacement/Visiting Lecturer in the Department of Chemistry and Biochemistry at the University of Oklahoma beginning in August 2007. The position will start in the Fall 2007 semester with the possibility of extension into the Spring 2008 semester. The salary will be commensurate with experience, with the possibility of additional income from summer school instruction. Duties of the position include teaching General Chemistry and/or sophomore-level Organic Chemistry. Regardless of the specific course(s) assigned, the teaching load will be two lecture courses per semester and will include laboratory instruction. TA support will be provided.

Candidates should have a PhD in chemistry and, preferably, experience and demonstrated excellence in teaching general and/or organic chemistry at the college level. Applicants should send a curriculum vitae, a summary of teaching experience and contact information for at least two professional references to the Sabbatical Replacement Search, Department of Chemistry and Biochemistry, University of Oklahoma, 620 Parrington Oval, Room 208, Norman, OK 73019. Applications in pdf format may be emailed to sgfisher@ou.edu. The deadline for receipt of applications is March 30, 2007.

**EEO / AA Policy:** Minorities and women are especially encouraged to apply. The University of Oklahoma is an Affirmative Action/Equal Opportunity Employer.
