Receipt of Applications: 10 – 16 August 2007
Application packages must be postmarked no later than 16 August 2007

Salary: $63,417 – 115,848

Promotion and Pay Potential: The selected candidate has promotion potential to the next higher pay band if hired for a developmental position. Pay and cost-of-living adjustments within pay band are based on performance.

Vacancy Location: Vicksburg, Mississippi

PCS expenses WILL be paid
Travel Expenses will be paid.
These positions require U.S. Citizenship.

Brief Description of the Program: You must have a Grade Point Average of 3.5 in 4.0 system in the subject matter field. These positions are in the Engineer Research and Development Center (ERDC). The purpose is to provide the ERDC a method of bringing professional talent into the civilian workforce. These are full time, permanent positions.

Brief Description of Duties: This position is a research organic/analytical chemist, PhD level recruit at post doc or midcareer level that conducts research on organic contaminants of concern, including ability to develop methods for emerging contaminants. Experience in analytical chemistry and environmental processes are required. Candidates should have experience with laboratory analytical procedures. Knowledge of organic mechanism chemistry is highly desirable. Future areas of research involve fate and transport and biological effects to degradation reactions of contaminants, as well as lower-level detection of contaminants in complex matrices. Leadership and collaborative skills are required to lead a multidiscipline team of scientists in execution of laboratory research. Ability to publish required.

Benefits:

Flexible Work Schedules
Health & Life Insurance On-Site Fitness Center
Retirement & 401K Plans On-Site Credit Union ATM
Excellent Vacation & Sick Leave Family Friendly Leave Policy
Other Information:

1) The position may require a personnel security investigation on a post-appointment basis.
2) You must submit the following documents: Resume, official college transcripts and DD-214 if claiming Veteran’s Preference.
3) Male applicants born after December 31, 1959, are also required to complete a Pre-Employment Certification Statement for Selective Service registration prior to appointment.
4) Failure to comply may be grounds for withdrawal of an offer of employment, or dismissal after appointment.
