COWLEY COLLEGE
COLLEGE OF HEALTH PROFESSIONS
2016-2017 Transfer Guide

It is the policy of Wichita State University (WSU) to accept all credits—within the
exception of remedial coursework—earned at a post-secondary institution accredited by
one of the U.S. regional accrediting agencies. Each academic college or department within
WSU determines how those credits apply toward a particular degree program. Sometimes there can be a significant
difference between what transfers and what
counts toward a degree, especially if the
courses are vocational in nature.
