

WSU Course Equivalency Guide for Fort Scott Community College Secondary English/Language Arts

The following list of classes will transfer from Fort Scott Community College into the Secondary English/Language Arts program at WSU. The list only includes classes that meet a specific requirement for the program. Additional courses will be required for the Associate of Arts or Associate of Science degree.

It is important to note that students transferring from a two-year college must complete at least 60 hours at a four year college or university and 45 of those hours must be upper-division. Students are encouraged to seek Dual Advising from advisors at WSU and FSCC in order to proceed successfully through the program.
