Whole Child

NEW NURSE
July 17-18, 2017

GENERAL SESSION
July 18-20, 2017

POST SESSIONS
July 20, 2017

Hyatt Regency Wichita
We are very excited about this year’s KSN Conference which will be held at the Hyatt Regency Hotel in downtown Wichita. Conference sessions will focus on our theme “Whole School, Whole Community, Whole Child”

Many of you remarked how you enjoyed last year’s format for the conference. We kept the program similar based upon your feedback. We will have three very special keynote speakers and more than 29 unique sessions for you to attend. Because many have said it was hard to get to every session, we are also repeating several of the sessions this year.

If you have any questions about the conference or the registration process, please contact the WSU Conference Office at 316-978-6493 or conference.office@wichita.edu. We look forward to seeing you all in July!

Sincerely,
The KSN Conference Planning Committee

Mary Ann Bauman, RN, USD 461, Neodesha
Katrina Benyshek, BSN, RN, NCSN, USD 214, Ulysses
Kelly Chanay, MEd, RD, LD, Kansas State Department of Education
Sue Holmes, BSN, RN, NCSN, Salina
Kimber Kasitz, BSN, RN, USD 259, Wichita
Beau Martin, BA, BS, RN, USD 232, De Soto
Brandi McGivney, RN, USD 435, Abilene
Debra Pile, DNP, APRN, P-CNS, WSU School of Nursing, Wichita
Valerie Rainman, RN, BA, CSN, USD 457, Garden City
Tamara Thomas, MPH, Kansas Department of Health and Environment
Abby Martin, BSBA, RN, Jefferson County Health Department, USD 340, USD 343
Annie Wallace, BSN, RN, The Kansas School for the Deaf

Conference Planning Committee members receive one-half off the general session conference registration fee.
Keynote Presentations

Tuesday, July 18, 2017

Opening Keynote Speaker, 1:30 pm—3:00 pm
Lorri Greenlee, MHCL, BSN, RN, Coordinator of Health Services, USD 465
“Connections”
During this session, you will learn what the following have in common: trumpets, "puke patrol", eddie haskell, vectors, state legislators, cattle, influential, screen printed coolers, head lice, architects, grants, and many more intriguing thoughts. Let’s start out this conference with some laughing while learning strategies to help you in your practice as school nurses.

Thursday, July 20, 2017

Keynote Speaker, 8:30 am—10:15 am
Rebecca Gillam, MSW, PhD Center for Public Partnerships & Research, University of Kansas
“Making Lemonade: Building hope & resilience in your schools”
The Adverse Childhood Experiences (ACEs) study established a clear link between childhood trauma and health and well-being throughout life. The findings are important for professionals who work with children and families. Using and addressing ACEs in our daily work can make a difference. This session will cover the basics of the ACEs study and build knowledge of hope and resilience as an antidote to trauma. Participants will leave with tools that they can apply in their work to support the ongoing well-being of children and families.

Closing Keynote Speaker, 10:30 am—12:00 pm
Jan McInnis, BA
“Finding the Funny in Change!”
From reform to the new industry rules and regulations that are being developed, professionals are routinely having to reassess and re-evaluate their practices. And all of this change causes fear, tension and miscommunications. In this popular keynote, Jan McInnis will show attendees how to instantly diffuse tension, kick off tough conversations and facilitate communications through using humor. Attendees will walk away laughing and learning as they discover the steps they can take to conquer, and even embrace, change.

Special Events

Tuesday, July 18, 2017
7 pm—10 pm
Hyatt Regency Ballroom
Totally Rad 80s Dance Party!
Enjoy an evening of fun and excitement as we relive the era of big hair and MTV with a totally Rad 80s dance party. We’ll be rocking out at the Hyatt on Tuesday, July 18 from 7 p.m. to 10 p.m. in the Hyatt Regency Ballroom. A DJ will play fun hits. This is a great opportunity for attendees to see how big they can get their hair and have some fun. We encourage you to reach into your closet and pull out your favorite 80s clothes. Best of all this event is free to participants. A cash bar will be available along with light snack and non alcoholic drinks.

Wednesday, July 19, 2017
6:00 pm—8:30 pm
Scotch & Sirloin, 5325 E Kellogg Dr.
Understanding and Reducing the Risks of Meningococcal Disease and Pertussis (Sponsored by Sanofi Pasteur)
Presenter: Dr. William L. Atkinson, Associate Director for Immunization Education, Immunization Action Coalition

The objectives of this educational program are to:
- Review meningococcal disease epidemiology
- Review recommendations to help prevent meningococcal disease
- Identify frequent sources and persistence of pertussis transmission
- Discuss current recommendations for use of tetanus, diphtheria, and acellular pertussis (Tdap) vaccine
- Examine strategies for improving Tdap vaccination coverage

Transportation is not provided. Please pre-register by selecting this event on the registration form.

KSNO General Membership Meeting

KSNO’s general membership meeting will be part of the Wednesday lunch in the Eagle Ballroom. Lunch will begin at noon and the meeting will start at 12:20 pm. Participation is optional. You do not have to be a member to attend.

Thursday, July 20, 2017

Day 3 of General Session

6:15 am Get ahead walking (optional—meets in hotel lobby)
New School Nurse Orientation
“Concepts in Planning and Management”
The New School Nurse Orientation provides a comprehensive overview of policies and procedures in school health. The sessions bring together a faculty of seasoned school nurses and other state experts who share knowledge, expertise and evidence-based practice in the following areas: Communicable disease; immunizations; special health care needs; procedures and interventions; medication administration; and, emergency planning and response. In addition, speakers discuss the importance of school health as an essential component of the academic curriculum and its importance in student achievement. As a participant you will learn about your role and legal responsibilities within the framework of the Kansas Nurse Practice Act as well as the Scope and Standards of School Nurse Practice. All nurses (RN and LPN) who provide services in any school setting are invited to attend this session, scheduled for Monday, July 17 (8:00 a.m. - 5:00 p.m.) and Tuesday morning, July 18 (8:00 a.m. - 11:30 a.m.)

Objectives
By the conference conclusion, participants should be able to:
1. Integrate evidence-based nursing practice in an interdisciplinary Kansas education structure.
2. Locate laws and standards impacting school health programs and the school nurse.
3. Discuss the development and implementation of policies and procedures.
4. Describe the role of the school nurse in identifying, reporting, and preventing communicable diseases in the school setting.
5. Examine the current immunization schedule with application to school health.
6. Define delegation and implications to nursing practice in the school setting.
7. Identify day to day school nursing planning and management strategies.
8. Differentiate the purpose and requirements for the various plans of care for students that include health care plans, Section 504 Plans, and Special Education Plans.
9. Discuss the role of the school nurse in emergency planning and response in the school setting.
10. Describe the value of effective communication and collaboration to enhance student and family capacity for adaptation, self-management, self-advocacy, and learning.

General Conference
“Whole School, Whole Community, Whole Child”
School health professionals are in unique positions to affect change in their school population, community and within themselves using knowledge and expertise in assessment and health planning to build relationships, collaborate with students, families, and other disciplines to lead change in the health and education of the future of our students. This year’s theme, “Whole School, Whole Community, Whole Child” reminds us that the unique practice of school nursing provides opportunities to facilitate the connection between important school, community and the child providing health services seamlessly within educational settings. Diverse partners from the fields of mental health, social work, counselors and nursing will engage participants in recognizing the opportunities and strategies to provide a continuum of care for school health professionals to begin collaborating for the 2017-2018 school year.

Objectives
By the conference conclusion, participants should be able to:
1. Examine changes in the healthcare system that promote the role of the school health professional as a liaison between the schools and the community.
2. Identify potential threats to health and safety in the school setting and the strategies to employ, prepare, mitigate and respond to preserve the physical and emotional well-being of schools and the community.
3. Recognize how attitude and approach to challenges can positively or negatively impact the workplace and job satisfaction of school health professionals.
4. Identify the role of the school health professionals in the surveillance, prevention, and management of chronic, acute, and infectious diseases.
5. Review common health conditions in pediatric
and adolescent populations and strategies for responding and managing chronic and urgent health needs with health care and education partners.

6. Compare current personal and professional school health professional practices with evidence-based practices to design a plan to incorporate interdisciplinary partners in improving health and education outcomes for school populations and communities.

CPR Recertification for Healthcare Providers
American Heart CPR recertification will be offered. Those attending the recertification will receive adult, child, and infant CPR training for health care providers with obstructed airway and AED use. Each session will be limited to 20 participants, so register early.

* Session I is scheduled on Monday, July 17 from 3:00 - 5:00 p.m.
  * If you are attending the New School Nurse Session do not register for the Monday 3:00 p.m. CPR session.
* Session II is scheduled on Wednesday, July 19 from 7:00 - 9:00 p.m.
* Session III is scheduled on Thursday, July 20 from 1:00 - 3:00 p.m.

The cost is $50.00 and is for recertification only. Lunch is available for pre-purchase on Thursday.

Vision Certification
(4.8 contact hours) Vision certification will be held on Thursday, July 20. Pre-registration is required as class size is limited to 30 participants. Check-in/Lunch will be at 12:00 p.m. The session will start at 12:30 and end at 4:30 p.m. Prior to June 15, the cost of the session is $70.00, including lunch. After June 15, the cost increases to $80.00.

Objectives
By the conference conclusion, participants should be able to:
1. Summarize basic principles and methods used in triage in response to school-based Mass Casualty Incident (MCI) event.
2. Demonstrate how to use the START and JumpSTART algorithms to perform triage.
3. Describe differences between professional and lay rescuer duties in response to school-based MCI events.
4. Apply SETT knowledge to develop basic disaster prevention, protection, mitigation, response, and recovery plans for health services providers in school.
5. Describe the importance of disaster planning, organizing, training, equipping, exercising, evaluating, and taking corrective action prior to a school MCI event.
6. Identify issues unique to the school setting that can impact the sustainability and effectiveness of disaster preparedness measures.
7. Identify strategies to engage school First-Aid team volunteers and administrative support.
8. Describe aspects of performing psychological triage within the RN scope of practice.
9. Discuss regional considerations related to disaster preparedness training and reliable local and national resources.

Effective Diabetes Management in Schools
Review expectations for management of diabetes at school including means of communication, supplies, level of supervision for care, and how to handle highs, lows, ketones, and emergencies. Check-in/Lunch will be at 12:00 p.m. The session will start at 12:30 and end at 3:30 p.m. Prior to June 15, the cost of the session is...
$70.00, including lunch. After June 15, the cost increases to $80.00.

Objectives
By the conference conclusion, participants should be able to:
1. List elements of Effective Diabetes Management in School
2. Discuss roles of student, parent or guardian and medical provider in diabetes management in school setting.
3. Discuss new technologies available in managing diabetes.
4. Identify access routes to resources including Children’s Mercy Hospital Diabetes team.
5. Evaluate effective nutrition management for students with diabetes.
6. Identify stages of independence in diabetes care.
7. Discuss accommodations available to students in the school setting.

Breakout Session Descriptions

A. Vision Issues in the Classroom
   Presenter: Julie Toon, OD, Sullivan, Toon & Associates
   Attendees will be able to understand and identify common vision issues that affect a student’s classroom performance. Topics include vision therapy and criteria for appropriate referrals to eyecare professionals.
   Presentation times:
   • Tuesday, July 18, 2017—3:30 pm

B. Section 504 Requirements, Common Implementation Pitfalls, and Helpful Tips and Guidance to Ensure Compliance
   Presenter: Kimber Kasitz, BSN, RN, Coordinator of Health Services & Section 504, USD 259, Wichita Public Schools
   Section 504 of the Rehabilitation Act of 1973 is a civil rights legislation designed to prevent any form of discrimination based on disability. Kimber will provide an overview of Section 504 requirements, common implementation pitfalls, and helpful tips and guidance to ensure compliance. You’ll get guidance on hot topics, such as when a 504 plan must be in place versus when a medical intervention plan is sufficient; whether service animals can be a required accommodation; whether it is ever the school’s responsibility to provide medical devices, such as wheelchairs and corrective lenses; and whether there is ever a limit on the amount of funding a school must spend to provide a necessary accommodation.
   Presentation times:
   • Tuesday, July 18, 2017—3:30 pm

C. Update on Kansas Disease Regulations and Implications for Schools
   Presenter: Sheri Tubach, MPH, MS, Director of Infectious Disease Epidemiology & Response, Bureau of Epidemiology & Public Health Informatics, Kansas Department of Health & Environment;
   Much has changed in the 10 years since the Kansas Administrative Regulations regarding disease prevention and control were last revised. This presentation will provide an update to revisions currently being drafted to administrative regulations regarding disease reporting, isolation and quarantine, and other issues. This session will provide the opportunity for discussion and feedback on the proposed revisions.
   Presentation times:
   • Tuesday, July 18, 2017—3:30 pm

D. The Health Care Needs of LGBQT Youth
   Presenters: Kelly Curran, MD, MA, OU Medicine
   This presentation will help explain and differentiate between gender identify, gender expression, biologic sex, and sexual attraction, increasingly relevant to the care of today’s youth. This session also will identify health disparities faced by LGBQT youth, and develop strategies to create a friendly environment for all youth—regardless of gender identity or sexual orientation. Additionally, attendees will identify areas of advocacy within schools for their patients.
   Presentation times:
   • Tuesday, July 18, 2017—3:30 pm
E. Kindergarten Readiness in Kansas
Presenter: Tammy Mitchell, MS, Kansas State Department of Education
Kansans are demanding higher standards in academic skills, as well as employability and citizenship skills, and the need to move away from a “one-size-fits-all” system that relies exclusively on state assessments. This new vision for education calls for a more student-focused system that provides support and resources for individual success and will require everyone to work together to make it a reality. Together, Kansans Can. Please join me as we talk about the mission and vision of the Kansas State Board of Education and the measurable outcome of Kindergarten Readiness.

Presentation times:
- Tuesday, July 18, 2017—3:30 pm

F. Protecting Our Future
Presenter: Terri Moses, MS, Safety Services Department, USD 259—Wichita
The presentation will be a discussion of the tools used by the Wichita Public School system to educate staff about violence and the ways to deal with it. Two short videos will be shown. The first outlines the “Run, Hide, Fight” response to a violent incident. The second will cover signs and signals that may be indicators of a violent situation.

Presentation times:
- Tuesday, July 18, 2017—3:30 pm

G. Sex Trafficking—Hidden in Plain Site
Presenter: Russ Tuttle, BA, Ordained Minister, President and Founding Board Member, The Stop Trafficking Project and KC Street Hope; Be educated about - the three words that help you understand domestic minor sex trafficking (DMST); the harsh business of selling minors for sex; the fact that demand is high and students are viewed as product to be sold by sex sellers to sex buyers; the overlap between child sexual abuse and DMST; the real foundation of the health problems in a victim; what provider experiences reveal about victims; and indicators of physical, emotional, and mental control. Be empowered to – recognize manipulation tactics; ask the right questions; engage appropriate action steps; and know when to step outside “fill in the blank training” in order to truly make a compassionate difference.

Presentation times:
- Tuesday, July 18, 2017—3:30 pm

H. A 21st Century School Nurse’s Look at Asthma & Anaphylaxis
Presenter: Andrea Tanner, MSN, RN, NCSN -School Nurse and Coordinator of Health Services, New Albany-Floyd County Schools in Indiana, NASN Epinephrine Resource School Nurse (ERSN), and Anaphylaxis Community Expert (ACE) with Allergy & Asthma Network
This breakout session will give school nurses a look at caring for students with asthma and anaphylaxis through the lens of NASN’s Framework for 21st Century School Nursing Practice. School nurses will leave with a better understanding of the disease processes, ways to prevent emergency episodes, best practices for responding to asthma and anaphylaxis emergencies, and ways to incorporate the school community in keeping students with these conditions healthy, safe, and ready to learn.

Presentation times:
- Wednesday, July 19, 2017—8:30 am
- Wednesday, July 19, 2017—10:30 am

I. Speaking Adolescent – What does that even mean?
Presenters: Kari Harris, MD, Associate Professor, University of Kansas School of Medicine–Wichita; Gretchen Homan, MD, University of Kansas School of Medicine–Wichita
This session will focus on recommended health screening and routine practice recommendations in the adolescent population. In addition, we will discuss trends in adolescent behavior that can negatively affect health.

Presentation times:
- Wednesday, July 19, 2017—8:30 am

J. AED’s: Management, Troubleshooting, and Liability
Presenter: Duane Billinger, Paramedic, First
Responder Kansas, LLC
This session will identify the different brands of AED’s specific information and troubleshooting, the manufacturers recommendations on scheduled maintenance, and the Kansas statute on AED’s as it pertains to liability

**Presentation times:**
- Wednesday, July 19, 2017—8:30 am

K. Infectious Diseases from AIDS to Zoster
**Presenter:** Lorri Greenlee, MHCL, BSN, RN, Coordinator of Health Services, USD 465, Winfield
Come join this former "Germ Wench" as she guides you through her favorite pediatric infectious diseases. Diseases commonly seen in school nurses offices will be featured. Infection control strategies will be discussed.

**Presentation times:**
- Wednesday, July 19, 2017—8:30 am

L. Effective Methods for Creating and Utilizing Healthcare Plans: Developing and Implementing Effective School Wide Practices
**Presenter:** Cindi Tedder, MSEd, BSE, RN, School Nurse, USD 233, Olathe
Individual Healthcare Plans are written plans used in the school setting to communicate students’ health conditions and their care/accommodation needs. They are written for a variety of health conditions and make it easier for school teams to determine appropriate health care interventions. This training will focus on effective methods for creating and utilizing health care plans in order to better meet students’ individual needs in the academic setting and work collaboratively with the student team to promote a successful academic environment.

**Presentation times:**
- Wednesday, July 19, 2017—8:30 am
- Wednesday, July 19, 2017—10:30 am

M. Overview of the Newly Revised Guidelines for Medication Administration in Kansas Schools, June 2017
**Presenters:** School Nurse Advisory Council Members: Katrina Benyshek, BSN, NCSN, USD 214, Ulysses; Annie Wallace, BSN, RN, Kansas School for the Deaf - Olathe, KS; Joann Wheeler, BSN, RN, USD 266, Maize
This session will review the rationale behind the recent revision of the “Guidelines for Medication Administration in Kansas Schools”. The presenters will utilize “in-depth” discussion of these guidelines to provide information on how to establish consistent safe procedures, which will enhance student health and stabilize medical conditions through written policies and procedure implementation that meet all legal requirements for administration of medication in school.

**Presentation times:**
- Wednesday, July 19, 2017—8:30 am

N. Suicide Isn’t about Death, it’s About Ending the Pain!
**Presenters:** Stephanie Anderson, ME Coordinator, Guidance and Counseling Services, USD 259, Wichita Public Schools; Kimber Kasitz, BSN, RN, Coordinator of Health Services & Section 504, USD 259, Wichita Public Schools, Melody Stuckey, LSCSW, Social Work Coordinator, USD 259, Wichita Public Schools, Holly Yager, PhD, NCSP, Special Education Coordinator, USD 259, Wichita Public Schools
Often, what appears to be a single event is actually “the last straw” when added to other stressors, depression and/or hopelessness. Suicide is the result of a long-term “wearing-away”, an erosion of a person’s ability to cope. This session will show you how to implement a training program for your school/ school district to increase awareness about suicide and help prevent suicide. It will also show you how to meet the new Jason Flatt Act – Senate Bill 323 that passed in Kansas May 19, 2016. Beginning January 1, 2017 the board of education of each school district shall provide suicide awareness and prevention programming to all school staff and shall notify the parents or legal guardians of students enrolled in such school district that the training materials provided under such programming are available to such parents or legal guardians.

**Presentation times:**
- Wednesday, July 19, 2017—8:30 am
O. HPV
Presenters: Kari Harris, MD, Associate Professor, University of Kansas School of Medicine—Wichita; Gretchen Homan, MD, University of Kansas School of Medicine—Wichita
This session will provide a brief background about the virus and associated disease burden will be reviewed along with updated recommendations for vaccination.
Presentation times:
- Wednesday, July 19, 2017—10:30 am

P. The Effects of Domestic Violence and Trauma on School-aged Children
Presenters: Laura Jones, MS, Kansas Coalition Against Sexual and Domestic Violence; Sarah Hachmeister, MA, Kansas Coalition against Sexual and Domestic Violence; Shelly Newman, BS, Kansas Coalition Against Sexual and Domestic Violence
Domestic violence is a form of trauma that may impact a child’s health, day-to-day functioning, behavior, and academics. Some traumatic experiences occur once in a lifetime, others are ongoing. Many children have experienced multiple traumas, and for too many children trauma is a chronic part of their lives. In this session we will discuss the intersection of domestic violence and trauma and the effects on school-aged children.
Presentation times:
- Wednesday, July 19, 2017—10:30 am

Q. Youth Sports Medicine Topics
Presenters: Doug Wiesner, ATC, University of Kansas Medical Center
This session is designed to assist the school nurse that will function without the support of an Athletic Trainer and will feature a presentation on today’s relevant topics related to today’s student-athletes participating in the sports landscape. Topics such as emergency action plans, heat/hydration, overuse syndrome, injury splinting and concussion will be presented with a follow-up inactive discussion.
Presentation times:
- Wednesday, July 19, 2017—10:30 am
- Wednesday, July 19, 2017—1:30 pm

R. Vision Therapy....When Glasses Aren’t Enough
Presenter: Brandi McGivney, RN, USD 435, Abilene
Have you worked with children that seem to struggle in the classroom, but shouldn’t? The ones that pass their acuity screening, but there seems to be something more? How about those students who sit covering one eye, or lay on their desk reading sideways? What exactly are they seeing? How can you help the students who are reversing letters/numbers? Brandi will share about Vision Therapy and how impactful it can be for your students and their classroom performance. She will share how to do a basic screening to determine if further evaluation is warranted. She will also share data about the successes the Abilene Public Schools have seen in students who have gone through vision therapy.
Presentation times:
- Wednesday, July 19, 2017—10:30 am

S. Understanding Seizures & The Impact of Epilepsy
Presenter: Bridgit Patterson, END, Program Director, Epilepsy Foundation, Missouri & Kansas
This presentation will outline the differences between epilepsy and seizures, identify the causes of epilepsy and seizures, and discuss possible triggers. In addition it will cover how to respond to an individual that is having a seizure along with the treatment goals. It will also illustrate the impact of epilepsy on children, teens, young adults, families and seniors.
Presentation times:
- Wednesday, July 19, 2017—10:30 am

T. Recognizing Gender, Sexuality & Trafficking: Effective Communication & Policy in Kansas Healthcare
Presenters: Alexander David Cloyd, MA, University of Kansas, An Sasala, BA, University of Kansas
Recognizing Gender, Sexuality & Trafficking: Effective Communication & Policy in Kansas Healthcare provides both Lesbian, Gay, Bisexual, Transgender, Queer/Questioning (LGBTQ) inclusivity continuing education resources and a seminar on recognizing and supporting vulnerable and/or trafficked
students. Based in part on research conducted via the Anti-Slavery and Human Trafficking Initiative (ASHTI), the session covers a range of inclusive practices, and aims to advise Kansas nurses about respectful and informed strategies for the effective support of vulnerable populations. Topics covered include: identity formation & recognition, LGBTQ terminology, pronoun standards and usage, state and regional resources for transitioning students, safe/secure space creation, trust building, understanding and recognizing signs of vulnerability, and an overview of state/federal trafficking laws and regional data.

**Presentation times:**
- Wednesday, July 19, 2017—1:30 pm

**U. Observable Signs of Drug Use and Abuse in Relation to Current Drug Trends**  
**Presenter:** Thomas Stanton, JD, Deputy Reno County District Attorney, Executive Committee Chairman, Kansas Alliance for Drug Endangered Children

Young people today are exposed to a variety of different drugs, and the opportunity for drug use and abuse is greater than ever. There are observable signs of the use of these drugs. This session will inform the participant of current drug trends, along with signs to watch for that may lead to early intervention and treatment.

**Presentation times:**
- Wednesday, July 19, 2017—1:30 pm
- Wednesday, July 19, 2017—3:30 pm

**V. Kansas Efforts with Vaccination Rates Improvement: Getting Schools Involved**  
**Presenters:** Phil Griffin, BBA, CPM, Kansas Department of Health & Environment; Linda Ochs, MSW, Shawnee County Health Agency

This session will discuss vaccination rates for adolescent Advisory Committee on Immunization Practices (ACIP) recommendations and projects around the state targeting increased acceptance of vaccines. A case study will be presented for use of a video in a large school district in Kansas to increase awareness of the importance of Human Papillomavirus (HPV) vaccination. Resources available to school nurses through Immunize Kansas Coalition (IKC) will be introduced.

**Presentation times:**
- Wednesday, July 19, 2017—1:30 pm
- Wednesday, July 19, 2017—3:30 pm

**W. Every Student Succeeds Act (ESSA): An Opportunity for Nurses**  
**Presenter:** Sharon Morris, MSN, RN, District Coordinating Nurse, USD 229, Blue Valley School District

This session will explore changes in the Elementary and Secondary Education Act (ESEA) from No Child Left Behind to the Every Student Succeeds Act. Learn about the new Kansas Consolidated State Plan and the opportunities school nurses have within ESSA. Become fluent in the language of ESEA so you, too, will know the difference between ESEA and ESSA, Multi-Tier System of Supports (MTSS) and Academic Measures of Student Success (AMOSS).

**Presentation times:**
- Wednesday, July 19, 2017—1:30 pm
- Wednesday, July 19, 2017—3:30 pm

**X. Part I of Best Nursing Practices in the School Environment: Procedures Every School Nurse Should Know**  
**Presenter:** Debie Pile, DNP, APRN, P-CNS, Associate Professor, WSU School of Nursing

Procedures to be discussed will focus on respiratory assessment including tracheostomy care with nebulizers, inhalers, and suctioning. Demonstration with hands-on practice of epinephrine, glucose, and insulin pens will be provided.

**Presentation times:**
- Wednesday, July 19, 2017—1:30 pm (Part I)

**Y. Part II of Best Nursing Practices in the School Environment: Procedures Every School Nurse Should Know**  
**Presenter:** Debie Pile, DNP, APRN, P-CNS, Associate Professor, WSU School of Nursing

Discussion, demonstration, and hands-on practice with gastrostomy feedings, administering medication via a gastrostomy tube, urinary catheters, vagus nerve stimulators and intrathecal Baclofen pumps.

**Presentation times:**
- Wednesday, July 19, 2017—3:30 pm (Part II)

**Z. Vaccine Update**  
**Presenter:** William L. Atkinson, MD, MPH, Associate Director for Immunization Education, Immunization Action Coalition
This session will include new vaccine recommendations as they relate to school-aged children and address the causes and response to vaccine hesitancy.

**Presentation times:**
- Wednesday, July 19, 2017—1:30 pm

### AA. Laws that Define & Guide School Nursing

**Presenter:** Annie Wallace, BSN, RN, Kansas School Nurse Organization (KSNO) President, Kansas School for the Deaf—Olathe, KS

This session will review and describe information regarding confidentiality, HIPAA, FERPA, record management including electronic records, documentation, consent forms, Special Education Laws and process, including ADA law and 504 plans. Practical application, examples, resources and discussion time will be included.

**Presentation times:**
- Wednesday, July 19, 2017—3:30 pm

### BB. Building Partnerships: A School Nurse and Family & Consumer Sciences Collaboration Opportunity

**Presenter:** Gayla Randel, CFCS, Kansas State Department of Education Family & Consumer Sciences (FCS) at the middle and secondary levels are building life literacy skills to enhance intelligent health, wellness and relationship decisions. This session will share the prevention education strategies used in the FCS classroom which may prove helpful to you and your work as the school nurse. Learn how you too can build partnerships with your FCS teacher.

**Presentation times:**
- Wednesday, July 19, 2017—3:30 pm

### CC. Managing Food Allergies in the School Setting

**Presenter:** Amy Hampton, MSN, RN, District Support Nurse, USD 259, Wichita

The CDC’s Voluntary Guidelines for Managing Food Allergies in Schools and Early Care and Education Programs recommend that all schools develop and implement a comprehensive plan for managing food allergies, called a Food Allergy Management and Prevention Plan (FAMPP). A FAMPP can help schools implement policies, processes, and protocols to help reduce allergic reactions, improve response to life-threatening reactions, ensure that current policies are in line with laws that protect children with serious health issues, and provide a safe and supportive education environment in which the risk of food allergy emergencies are reduced and/or eliminated.

**Presentation times:**
- Wednesday, July 19, 2017—3:30 pm

---

**Continuing Nursing Education**

**New Nurse, General, and Post-Sessions**

Wichita State University College of Health Professions is approved as a provider of continuing nursing education by the Kansas State Board of Nursing. This course offering is approved for contact hours applicable for RN, LPN or LMHT relicensure. Kansas State Board of Nursing provider number: #LT 0090-0327. These course offerings are approved for (12.3) contact hours for the New School Nurse Orientation, (15.3) contact hours for the General Session, (4.8) contact hours for the Vision Screening, (3.6) contact hours for Effective Diabetes Management in Schools and (6.0) contact hours for School Emergency Triage Training session. Separate contact hours and certificates will be awarded for the new nurse, general, and post-sessions. Certificates will be emailed following the conference.

**Important Information Regarding Contact Hours for Professional Relicensure**

Partial credit will not be offered. If you are registered to attend the New School Nurse Orientation, the General Session and/or any of the Post Sessions, you must stay for that entire session in order to receive contact hours for professional relicensure. Individuals who leave early will not receive any contact hours for that session.
The New School Nurse Orientation registration fee includes conference materials, breakfast on Monday and Tuesday, lunch on Monday and refreshment breaks.

The General Session registration fee includes conference materials, breakfast on Wednesday and Thursday, lunch on Tuesday and Wednesday and refreshment breaks. Lunch on Thursday is not included.

If you are registered for the Vision Screening and Assessment or School Emergency Triage Training Post Sessions on Thursday, the cost of your lunch and breaks is included in your registration fee.

A check or purchase-order must accompany your registration form; however, school districts that are unable to pay until after July 1, may go ahead and register now by completing the registration form and sending it in along with a purchase order. Please confirm with your district that they have mailed your registration. All cancellations must be made in writing. A 15% administrative fee will be assessed on all cancellations (this includes purchase orders). There will be no refunds after July 5. You will receive a confirmation email within 1-2 days of the receipt of your registration form. If you do not, please contact Teruko Mitchell at (316) 978-6493. The KSN conference is being facilitated by the Wichita State University Office for Workforce, Professional and Community Education.

Please mail your completed registration form and check or purchase order (made payable to the Office of University Conferences) to:

Office for Workforce, Professional and Community Education
Wichita State University
1845 Fairmount, Campus Box 136
Wichita, Kansas 67260-0136
Fax (316) 978-3064

You may also register online at www.wichita.edu/conferences/ksn.

By participating in the Kansas School Nurse Conference, you give the Kansas School Nurse Planning Committee and Wichita State University the right to take photos and use your image in future promotional materials.

Room Rates
Special rates for conference attendees have been arranged with the Hyatt Regency Hotel, 400 W. Waterman, Wichita, KS 67202. Room rates are $115.00 per night + tax. There is no charge for parking if you are staying at the hotel. Daily commuters will be charged $5.00 per day to park in the parking garage. There is also free parking located across the street from the Hyatt. Basic Wi-Fi is included in the cost of your sleeping room.

Making a Reservation
Reservations must be received by July 2, 2017. To make reservations click on the following link: https://aws.passkey.com/go/ksschoolnurses2017 or for further assistance call 1-888-421-1442.

Check-in/Check-out
Check-in time is after 3:00 pm. Room assignments prior to that time are based on availability. Check-out time is noon. If you are attending a post session on Thursday afternoon, you may store your luggage in the Bellman’s closet. Please inquire at the front desk.

Smoking/Non-Smoking Rooms
98% of the Hyatt’s sleeping rooms are non-smoking. You may request a non-smoking room when making your reservation; however, rooms will be assigned on a first come basis when you check-in. There is no guarantee that you will be assigned a non-smoking room.

Sales Tax Exemption
All rooms are subject to sales tax of 7.5%, 2.75% City Fee, and a “Transient Guest” tax of 6%. You may be exempt from paying sales tax on your sleeping room if you:
1. Present a copy of your school district’s tax exempt certificate at check-in and;

You may also register online at www.wichita.edu/conferences/ksn.

Payment of Rooms by Purchase Orders/ Direct Billing -Hyatt Regency Wichita no longer accepts Purchase Orders (PO).
**Emergencies**

In case of an emergency, you can be reached by calling (316) 293-1234. The person calling should tell the hotel that you are with the Kansas School Nurse Conference and that it is an emergency. Someone from the registration staff will locate you using your session registration schedule.

Temperatures vary greatly in the hotel. Please plan to bring a jacket or sweater. Wifi access will be available for attendees.

**Right of Termination for Cause**

This agreement and the University’s obligations hereunder regarding this conference and the presentation of any or all associated sessions and optional entertainment events are subject to acts of God, war, terrorism, government regulations, disaster, fire, strikes, civil disorder, curtailment of transportation facilities, or other similar cause beyond the control of the parties making it inadvisable, illegal, or impossible to hold the event or provide the facility. If the conference or any associated event is cancelled due to one of the aforementioned occurrences, the liability of the University shall be limited to refunding the conference registration fee or a portion thereof. The University shall not be responsible for consequential damages, including, but not limited to, any losses incurred by registrants including, but not limited to, airline cancellation charges, hotel deposits and other associated travel costs.

**Special Accommodations**

The Kansas School Nurse Conference Planning Committee is committed to making programs accessible to people with disabilities. If you wish to volunteer information regarding any special assistance you may need, please contact the Office for Workforce, Professional and Community Education at (316) 978-6493.
