WuShock
You are the NEW SHOCKS
(And you are better looking than WU.)

GO SHOX!

This is an exciting time to be at WSU. Enjoy!
New Employee Orientation is organized by The Center for Teaching and Research Excellence. CTRE is a faculty development office that you will hear more about later today. I hope you will find CTRE to be a useful resource.

We are implementing a new format for Orientation this year; we value your feedback.
Our goal with this orientation is give you the information and resources you need to get off to a running start at WSU.

Please feel free to ask questions.

Please get to know each other.
The personalized 1Gb flash drive you received at check-in contains a wealth of important materials. Please make yourself familiar with it. Those materials are also available on the CTRE website, as will all of today’s PowerPoint slides.

www.wichita.edu/ctre

...we will email you the link!
Who is here?

- There are two (or three) quite different groups here today:
  - Faculty
  - Unclassified Professionals (UCPs)
    - UCPs who teach
    - UCPs who do not teach
Revised from last year because the group is so much smaller. Only 3 faculty, the rest UCPs.

CTRE website has videos of last years NEO if you want to view sessions we aren’t holding this year.

CTRE events will cover some topics (teaching, T&P) which are not on this year’s NEO agenda.
Thanks to all the VIPs who were able to come greet the new employees today!
