

WICHITA STATE
UNIVERSITY
COLLEGE OF ENGINEERING
*Department of
Electrical Engineering
and Computer Science*

July 20, 2010

Dear Electrical Engineering, Computer Science, and Computer Networking Graduate Students,

We are very pleased that you have been recommended for admission to one of our graduate programs in the Electrical Engineering and Computer Science (EECS) Department at Wichita State University. We sincerely hope that you will join us for the 2010 fall semester. No doubt you have other opportunities in addition to this one, and it is our sincere desire that you will decide to become a part of the EECS family at Wichita State. It is our desire and intention to make your time at Wichita State as enjoyable and profitable as possible.

As a first step, we invite you to attend an **EECS Welcome Party** at the beginning of the fall semester. The party will be **Friday, August 20, 2010, 4:00 to 5:30 p.m., in room 226 Jabara Hall**. This welcome party will introduce you to the EECS family, the programs we have to offer, assistantship possibilities, and our research facilities. We will also strive to orient you to Wichita State and answer any questions you may have. Since there is a lot of flexibility in our graduate programs, it is especially important that you be here for this event. This will ensure that you get off to a great start and that you are enrolled in the proper courses to help you realize your career goals. Last, but not least, **pizza** will be provided!

The schedule is as follows:

- I. Welcome by the Department Chair, Dr. John Watkins
- II. Introduction to EECS Graduate Programs
 - a. Electrical Engineering
 - b. Computer Science
 - c. Computer Networking
 - d. Assistantship Opportunities
 - e. Research Areas
- III. Introduction to EECS Faculty and their Research
- IV. Questions & Answers
- V. Pizza and Informal Mixing

We look forward to seeing you at the party!

Sincerely,
Dr. Steven R. Skinner
Professor and Graduate Coordinator
