Aquifer Exhibit

Funded by the Institute of Museum and Library Services

Project Goals

- What is an aquifer?
- What can we learn as a community?
- What can you do?

Education Programs

- 2 Gallery Activities
- 3 Hands On Programs
- Teacher Training
- Summer Camp
- 2 Senior Wednesday Programs
- REAP Conference
- Public Opening Event
• How does technology change water use and cost?
• Where does water come from?
• Where does it go?
• What does it pick up?
• Pollutants
• Storm Water Run off

• How much water do you use!

• Buckets of Kansas water use
• Can you stop the buckets?
- What changed the water levels over time?
- When will the aquifer be empty?
- Where is the aquifer?
- Structure of the aquifer

Thank you!
