ARTICULATION AGREEMENT
BETWEEN
WICHITA STATE UNIVERSITY AND HUTCHINSON COMMUNITY COLLEGE
January 03, 2013

The purpose of this Articulation Agreement is to provide learning opportunities through a transfer agreement for Hutchinson Community College AAS in Engineering Technology and Manufacturing Technology degrees for students pursuing a Bachelor of Science in Engineering Technology degree from the College of Engineering at Wichita State University. This transfer agreement will follow the guidelines in the WSU Undergraduate Catalog for all transfer students.

Students should refer to WSU's transfer guide for the required courses and the suggested course schedule at each institution. Transfer students must complete at least 60 hours of four-year college work and 45 hours of upper-division work in order to qualify for graduation from Wichita State University.

WSU will transfer:
- MA 150, Engineering Graphics I as WSU's IME 222 Engineering Graphics
- MC 201, Machining Fundamentals III and MC 114, Machine Tool Processes, as WSU's IME 258 Manufacturing Methods and Materials I

The following courses will transfer from Hutchinson Community College to Wichita State’s B.S., Engineering Technology as Technical Electives (a maximum of 15 credit hours):

<table>

Hutchinson Community College will:

- Provide space within engineering and manufacturing classrooms for WSU marketing materials,
- Inform the Director of Engineering Technology of changes in the contents of courses accepted as Technical Elective transfers, and
- Strive to maintain HLC accreditation of its Technology programs.
