Advance your career BEFORE IT STARTS!

The Discovery Scholarship Program from Koch Industries, Inc. and its subsidiaries is designed for college students who are innovative and eager to apply their knowledge and ideas to achieve better solutions for the world’s needs. Join the select group of Discovery Scholars across the nation by applying today.

How to Apply
1. Go to kochcollegerecruiting.com
2. Click on the “Scholarships” tab and apply

What is the Discovery Scholarship Program?

- Financial support is provided annually through Discovery Scholarships in increments of no less than $1,000
- Opportunities to receive mentorship from global business leaders at Koch companies
- Obtain guidance to discover their own comparative advantages and how to leverage those capabilities
- Gain access to the most current updates about employment opportunities at Koch companies and the long-term management philosophy of the businesses
Discovery Scholarship
Selection Process

Koch Industries will review applications based on factors such as academic achievements, relevant work experience, honors and awards, university organizations, activities and/or services. Selected applicants may receive an interview request. Finalists will be invited to attend Discovery Day at Koch's global headquarters in Wichita, Kansas, on Friday, March 4, 2016.

About Koch Industries

Headquartered in Wichita, Kansas, Koch Industries, Inc. is one of the largest private companies in America with estimated annual revenues as high as $115 billion, according to Forbes magazine. It owns a diverse group of companies involved in refining, chemicals, biofuels and ingredients; forest and consumer products; fertilizers; polymers and fibers; process and pollution control equipment and technologies; electronic components; commodity trading; minerals; energy; ranching; glass; and investments. With a presence in about 60 countries, Koch companies employ more than 100,000 people worldwide.
