About the AEGD Program

The Advanced Education in General Dentistry program (AEGD), the only dental residency program in Kansas, was developed by WSU for many reasons. There is a need for qualified dentists throughout Kansas, however, many communities within the state do not have a dentist — and the closest dental office may be up to 100 miles away, limiting access to dental health care in these areas. The burden of oral disease also restricts daily activities thus diminishing one’s overall health. We are changing all of that. WSU is dedicated to providing dental education for the betterment of our communities.

Since the program’s inception in August 2009, we are providing the education and training needed to develop clinical leaders in dentistry with the aim of keeping them in Kansas to treat our state’s residents.

Donation Opportunities

Name: ______________________________
Address: ____________________________ __________________________________
E-mail: _____________________________
Phone: _____________________________

☐ I would like to gift the following:
  ☐ $1,000 – 8”x8” paver (a pledge can be made for $1,000 with two payments of $500 each)
  ☐ $10,000 – bench (a pledge can be made for the $10,000 to be paid over one, two or three years)
  ☐ General Gift

☐ Please contact me with more information about the AEGD program.

☐ Please contact me with information on other naming opportunities.

Please use the following space for your engraving request.

Wichita State University Foundation
AEGD and You

The AEGD Facility Campaign

In the fall of 2008, the Wichita State University Foundation and Wichita State kicked off the campaign to construct a facility to house WSU’s Advanced Education in General Dentistry (AEGD) program.

The facility will be located immediately south of the Eugene M. Hughes Metropolitan Complex on north Oliver St.

Since that time, numerous individuals, businesses and foundations have joined the campaign to improve the access of oral healthcare for all Kansans. At the top of that list is Delta Dental of Kansas and the Delta Dental of Kansas Foundation, which have a joint three-year pledge of $3 million. The multi-faceted goal also includes recruiting and retaining dentists to Kansas.

The AEGD Walk Way program, described in this brochure, is another way to help meet the $6.6 million goal to make the AEGD facility a reality.

STEP UP for the AEGD Walk Way Program

Pavers

Engraved pavers, placed in front of the building, are available for a donation of $1,000. Each paver can be personalized with a message, multiple names within your organization or it can honor a loved one.

Product details:
- 8” x 8”
- 2¼” thick
- skid-resistant thermal finish

Benches

Engraved gray benches, placed on the walk way going into the building, are available for a donation of $10,000. Benches can be personalized with a message or dedication of your choice.

Product details:
- Gray color
- 18” tall; 48” x 16” x 4”
- two legs, 14” tall

Engraving Information

Pavers

- 1–4 lines of inscription
- Up to 12 characters per line, including spaces
- a pledge can be made for $1,000 with two payments of $500 each

Benches

- Inscription on front of bench only
- 1-2 lines of inscription; number of characters negotiable
- a pledge can be made for the $10,000 to be paid over one, two or three years

Naming opportunities also are available throughout the AEGD facility.

To pay for a paver, bench or to make a general gift to the AEGD facility campaign, please complete the form on the reverse side and mail your check to the WSU Foundation or go to this Web site and complete the secure online giving form.
