Annual Fund for Excellence

Thinkers. Doers. Movers & Shakers!

WSU Foundation Annual Fund for Excellence

WSU Foundation Approved by VP for Finance.
Show your pride

As faculty and staff, each of us brings something important to Wichita State University. It is amazing to see the efforts you and other employees make every day to help our students achieve excellence. Making a gift to the Annual Fund is one of the clearest and most important statements you can make about your pride in Wichita State and your commitment to the success of our students.

Q: What is the Faculty/Staff Giving Program?
A: This is a part of the Annual Fund for Excellence, a program of the WSU Foundation. The annual fund raises unrestricted dollars that can be used where needed most. In the past, gifts have supported student scholarships, departmental seminars, equipment and materials, faculty research and library resources.

Q: Can I specify where my contributions will go?
A: Yes. The choice is yours. Select one of the colleges or programs on the pledge form and if you don’t see what you are looking for, you can write it in where it says “Other.”

Q: How much of my gift goes to the area I specify?
A: The annual fund campaign is partially self-funded. Some expenses, such as postage, student telefund caller wages and long-distance telephone charges are funded by revenues, but as a WSU faculty or staff member, 100% of your gift will go to the area you designate.

Q: How much should I give?
A: No gift is too small. Your support of the Annual Fund for Excellence is appreciated, no matter the amount.

Q: What are the payment options?
A: There are four ways to make a contribution.

- Complete a payroll deduction form to have a portion of your gift automatically deducted from each paycheck.
- Send a personal check made payable to the WSU Foundation.
- Charge your gift to your credit card.
- Make a gift of appreciated securities, such as stock.

As a Shocker alumnus and a staff member, Wichita State has provided a significant amount of benefit and support to me as an individual. The annual fund allows me to give back to the university in a small way for all it has provided me.

John R. DuVall MHS ’65, ’93 Contract Specialist and NIAR Liaison

The annual fund provides me with an opportunity to say a silent, but personal thank you to those who made my education possible. Without the generosity of Lenora McGregor and her endowed scholarship—still available today, I could never have afforded to attend college. Giving, allows me to share a little anniversary celebration with WSU for all of the wonderful years we’ve been together.
