Graduate Certificate in Supply Chain Management (Cargill)

This standalone graduate certificate in Supply Chain Management (SCM) is designed specifically for students who are not currently enrolled within a graduate program*. Upon completion, students will have in-depth knowledge across the full spectrum of supply chain management concepts and practices.

The certificate requires completion of 12-credit hours of course work. The courses, which are entirely online and 0.5 to 1-credit each, are structured to provide extensive conceptual and applied information about supply chain management. The courses cover topics such as strategic supply chain management, inventory management, demand and supply management, and supply chain performance management. Upon completion of the certificate, students will be able to conduct supply and demand planning, forecasting related to supply chain processes, and implement supply chain performance management programs. The curriculum is jointly developed and offered by the Decision Sciences and MIS faculty in the Barton School of Business and the Industrial, Systems and Manufacturing Engineering faculty in the College of Engineering. The list of topics the program will cover is below.

**Topics Covered:**

<table>
<thead>
<tr>
<th>Basics of Supply Chain Management</th>
<th>Supply Management</th>
<th>Introduction to Forecasting</th>
</tr>
</thead>
<tbody>
<tr>
<td>Strategic Management in SCM</td>
<td>Introduction to Demand Management</td>
<td>Introduction to Spreadsheet Modeling</td>
</tr>
<tr>
<td>Lean SCM: A Simulation Game</td>
<td>Advanced Demand Management</td>
<td>Introduction to Project Management</td>
</tr>
<tr>
<td>SCM Network Planning</td>
<td>Integrated Supply and Demand Management</td>
<td>Advanced Forecasting</td>
</tr>
<tr>
<td>Introduction to Inventory Management</td>
<td>Basics of Analytics</td>
<td>Performance Management in Supply Chain</td>
</tr>
</tbody>
</table>

*For 2017-18 and 2018-19, this certificate is solely available to Cargill employees per an agreement created by various parties. We hope to implement this to others at the end of this period.

Completion process:

1. Students who are already admitted to an appropriate Graduate category and who are interested in pursuing a graduate certificate must declare their intent to do so by filling out the online Declaration of Intent to Pursue a Graduate Certificate form at [www.wichita.edu/GrCertIntent](http://www.wichita.edu/GrCertIntent).

2. Graduate School staff will then verify eligibility for the certificate with that program area, and add the appropriate codes to the student record to indicate their intent to pursue the certificate.

3. In the semester the certificate requirements are met students must:
   - Prepare (with graduate advisor) and submit (to the Graduate School) a Plan of Study (for the certificate).
   - Submit an Application for Graduate Certificate, along with the $15.00 filing fee, online through the Graduation Links channel in the *myWSU* portal, no later than the 20th day of classes for the fall or spring semester or the 10th day of classes for the summer semester.
Note:

- A cumulative grade point average of 3.000 must be maintained for all courses comprising the certificate program with no grades lower than that which generate 2.0 grade points.
- Substitutions and transfer work are generally not allowed for graduate certificates.

**Admission Requirements:**

Students seeking this graduate certificate program must be admitted to the Graduate School in either degree bound status, or non-degree Category A status. International students will not be issued an I-20 for pursuing a certificate program only. They may obtain a certificate only while concurrently pursuing a graduate degree. Students who have a previous graduate admission status should contact the Graduate School to determine if they need to apply for admission to an appropriate status, or simply need to reactivate their enrollment file, and declare their intent to pursue a graduate certificate.

**Degree Admission** – The student must have earned a bachelor’s degree from a regionally accredited institution or a recognized institution in another country whose requirements for the bachelor’s degree are substantially equivalent to an American four-year bachelor’s degree. The student must also have a grade point average of at least 2.750 based upon the last 60 hours of course work (or nearest semester or term break to this), including any post-bachelor’s graduate work, and no more than 9 hours of background deficiencies in the desired field. Some programs may require a higher minimum grade point average, as well as additional supporting materials. Visit [www.wichita.edu/gradprograms](http://www.wichita.edu/gradprograms) for details on any departmental requirements.

**Non-Degree, Category A** – Students who already possess a graduate degree and who do not wish to pursue a second degree, or who wish to only pursue a graduate certificate should apply for non-degree, Category A admission. Admission to this category requires the applicant to either hold a graduate degree from a regionally accredited institution or recognized institution in another country, OR if the applicant does not hold a graduate degree, he or she must meet the same requirements as if they were applying for a degree program.

**NOTE:** When applying for admission please indicate in the Additional Information field that you are interested in pursuing this specific certificate, so your file can be coded appropriately.

Details on how to apply for admission can be found online:
- Domestic Applicants: [www.wichita.edu/grdoappinfo](http://www.wichita.edu/grdoappinfo)
- International Applicants: [www.wichita.edu/grinappinfo](http://www.wichita.edu/grinappinfo)

Certificate programs are not eligible for Title IV (federal financial aid) funding unless the certificate is part of the degree program you are pursuing or the certificate has been specified as a Gainful Employment (aid eligible) program. This certificate has not been specified as a Gainful Employment program.
