Master of Arts in Spanish

The Department of Modern and Classical Languages and Literatures offers courses of study leading to the Master of Arts (MA) degree in Spanish.

Admission Requirements
Admission to the Master of Arts (MA) degree program in Spanish requires, for Non-Native speakers of Spanish, the completion of 24 hours of undergraduate Spanish beyond the basic language courses, 8 of those hours should be at the junior-senior level. Native Spanish speakers should have 12 hours, all at the junior-senior level. A minimum overall grade point average of 2.75 and a 3.00 GPA in Spanish are also required.

Degree Requirements
The MA degree in Spanish requires the completion of 32 semester hours beyond the BA degree, including at least two seminars – SPAN 623, 831, or 832 – that require research papers. Of these hours, 20 must be in courses numbered 700 or above.

A maximum of 9 hours of related fields may be included in the plan of study. The minimum of 23 hours of Spanish, (and maximum of 32 hours of Spanish on the plan of study), must include SPAN 526 and three of the following survey courses- 833, 834, 835, 836 - if their equivalents were not taken as undergraduate courses.

A candidate for a degree must pass SPAN 526 or an equivalent course with a B or better at either the undergraduate or graduate level.

Related fields typically include another foreign language; English, American, and foreign literatures; art; Latin American history; linguistics; or geography. All related field courses must be approved by the chairperson of the Department of Modern and Classical Languages and Literatures or the graduate coordinator.

Special recommendation is strongly made that all MA candidates in Spanish earn a minimum of 4 hours of transferable credit in a university program located in a Spanish speaking country.

Examinations and Specializations
Before the MA degree in Spanish is granted, all candidates must pass written comprehensive examinations based on two reading lists – Latin American literature and peninsular (Spain) literature, and an oral examination on an area of specialization of the student’s choosing. That reading list will be developed in consultation with faculty. No exam may be taken more than twice.

Summer Program
For over 50 years, the WSU Summer program in Puebla has provided an outstanding opportunity for students, teachers, and other interested individuals to study the Spanish language, gain the invaluable experience of living in another country, and earn college credit toward a degree or teacher certification. Students in the program spend six weeks in Puebla- either in the Hotel Colonial, in a private home with a Mexican family, or both. There are ample opportunities for students to visit nearby points of interest.
