Facility Update: Holiday Projects

The Heskett Center will be closed December 24th-25th during the holiday season, this will be a busy cleaning time that others cannot be taking the place of during the school year. In addition, the Heskett Center will be closed on New Years Day. We look forward to seeing you next semester.

What is new this winter break are two new projects. First, the Heskett Center cleans out all the pool and gym shut down. Both projects are complete. Please look for signs regarding which should make it look brand new. What is new this winter break are two addition, the Heskett Center cleans out all the pool and gym shut down. Both projects are complete. Please look for signs regarding which should make it look brand new. What is new this winter break are two addition, the Heskett Center cleans out all the pool and gym shut down. Both projects are complete. Please look for signs regarding which should make it look brand new.

The reason for the change is it’s cheaper we have moved that project to the winter. During the summer shut down. This year we have drained and scrubbed the pool and has been resurfaced over the winter months.
