Transformation:
Becoming the Innovation University

On the Web: wichita.edu/innovation
Twitter: #WSUInnovation

Strategic Plan

Vision:
Wichita State University is internationally recognized as the model for applied learning and research.

Mission:
The mission of Wichita State University is to be an essential educational, cultural and economic driver for Kansas and the greater public good.

WSU Ventures: Innovation Ecosystem Hub

Mission: To assist the university and its faculty, staff and students in leveraging their collective ideas, intellectual properties, know-how, talents, capabilities, ambitions and energies in ways that benefit the university community and public and private stakeholders.
