Additional Description (Page 1/2)

You may provide up to two pages of additional description. (Calibri 11 pt, 1 inch margins)
Additional Description (Page 2/2)
Budget Breakdown

The John A See Innovation Award is to be applied directly to advancing the technology. Ideally this will support additional investment by others. Examples of supported costs are patent fees, prototype development, product testing, and marketing analysis. The award cannot be used for faculty salaries but may be used to pay for external consulting fees.
