In 2009-2010, the members of the FSFAC were:
Richard Armstrong (Elliot School of Communication) and Twyla Hill (Sociology), Social Sciences; Daowei Ma (Mathematics) and Elizabeth Behrman (Physics), Natural Sciences; Niall Shanks (History) and Robert Feleppa (Philosophy), Humanities.

Twyla Hill served as chair.

The Committee met once during the year, during Fall semester. At this meeting, it elected a chair, and considered and made recommendations for awarding sabbatical leaves. It considered eight requests for sabbatical leaves, and gave a positive recommendation in all cases. As required by university policy, these recommendations were ranked.

Respectfully submitted,
Twyla Hill
