1. Scholarship(s) will be awarded annually to a student(s) enrolled full time at Wichita State University in the Fairmount College of Liberal Arts & Sciences, in the area of physics and/or chemistry which may be aligned with an interest in aerospace industry. Preference is that the recipient(s) is enrolled full time; however, exceptions can be made to include part time students if ideal candidates arise whose circumstances dictate an inability to attend full time.

2. No recipient will be excluded from consideration based on race, religion, color, national origin, gender, age, sexual orientation, marital status, status as a veteran or disability.

3. Recipient(s) must have authorization to work in the United States on a full time basis for non-training purposes. Student and temporary visas do not qualify.

4. Preference is for the recipient(s) to have and maintain a minimum 3.2 GPA. If no candidates meet this preference, awards should still be made with regard to academic merit.

5. Recipient(s) must have a strong interest in The Boeing Company and is encouraged to apply for Boeing summer internships if positions are available.

6. Each annual award will be a minimum of $1,000.00, with equal number of recipients in physics and chemistry, if possible.

7. Award(s) will be made without regard to financial need.

8. The Scholarship Office, a department within the Division of Campus Life and University Relations of Wichita State University, will administer the scholarship(s) and make the award(s) based on the recommendation(s) submitted by the physics and chemistry departments.

9. The scholarship(s) may be renewed as long as funding is available.
