Wichita State University
Concurrent Enrollment Partnership Program

Q: What are the requirements for participation?
A:
- Be a sophomore, junior, or senior in high school;
- Have a cumulative high school GPA of 3.0 or higher and a cumulative WSU GPA of 2.0 or higher (new WSU students need the high school GPA only);
- Meet all additional prerequisites for specific courses. This may include ACT scores, passing the WSU department final or exit exam, or achieving a minimum grade in the course. Check with your teacher for details;
- Complete the fall semester of any yearlong concurrent enrollment partnership course with a grade of A or B;
- Each high school may set additional standards which exceed these requirements.

Q: What should I bring to the enrollment visit?
A:
- $30 check for admission application fee, payable to WSU Admissions (new admits only);
- Concurrent enrollment partnership application form (all students);
  - Please note: this must be signed by the student AND a parent or legal guardian
- Completed installment plan form if installment payments are desired.

Q: How much is this going to cost in 2009-2010?
A: Tuition and fees are required of every student as a condition of enrollment. The tuition and fees listed are subject to change by action of the Kansas Board of Regents. For tuition purposes, a resident is someone who has lived in Kansas for twelve consecutive months prior to enrollment/re-enrollment and who has demonstrated, during those twelve months, the intent to make Kansas his/her permanent home. Non-resident students pay approximately 2.7 times the rate of tuition and fees beyond that of resident students. Some courses, such as those in business or music, may have additional usage or enrollment fees.

</tbody>
</table>

Kansas residents will receive an automatic federal stimulus scholarship of $5.50 per credit hour. Kansas residents enrolling in one three-credit hour class should expect a minimum tuition and fees bill of $543.80.
Q: How do I pay my bill?
A:
- Log-in to http://mywsu.wichita.edu to pay your bill on-line or to print a copy;
- Pay your bill immediately;
- Under the My Account tab, click Student Account Suite;
- Click on the Payments tab at the top of the page;
- Choose your payment option by clicking on the Pay hyperlink.

Q: May I give permission to someone else to pay my bill online?
A: Yes. If you wish to give another person permission to pay your bill, click the Authorized Users tab and follow the prompts. From this page, you can give others the ability to access your account information. In compliance with the Family Educational Rights and Privacy Act of 1974, your student financial records may not be shared with a third party without your written consent. Adding an authorized user is your written consent that an individual may view your account information and make payments on your behalf. Please note that authorized users do not have access to your stored payment methods, academic records, or other personal information.

Q: May I use a credit card to pay my bill?
A: Students may pay their tuition and fees bills online with a credit card and payments will be handled by TouchNet PayPath Payment Service. TouchNet will collect a processing fee of 2.75% which will be included in the total payment amount. VISA branded credit and debit cards are no longer accepted. For more information, please call the Office of Financial Operations and Business Technology at 978-3333.

Q: What happens if I don't pay my bill?
A: It is very important that you pay your bill once it is posted. If you do not pay your bill, a money hold will be placed on your file that will prevent you from conducting future business with the university. Also, if you use the university payment plan, you must not miss any payments, or again, a money hold will be placed on your file. You will remain enrolled in your concurrent enrollment partnership courses even if you do not pay your bill. Any unpaid bills owed to WSU may be sent to a collection agency.

Q: What is WSU's payment plan?
A: You may use the payment plan to make paying your tuition bill a little easier. Your bill will be split into three equal payments due October 15, November 15 and December 15 if you enroll for the fall semester, and March 15, April 15 and May 15 if you enroll for the spring semester. There is a $30 administrative fee to use the payment plan, and it will be added to your bill.

Q: How do I sign up for the payment plan?
A: Fill out in ink the university's promissory note and also have a parent or legal guardian sign the form. Your counselor has copies of the payment plan, and you will need to turn it in the day of the WSU concurrent enrollment visit.

Q: Are there any scholarships for concurrent enrollment partnership students?
A: If you participate in the federally-funded National School Lunch Program, which provides free or reduced-cost meals to qualified students, and meet all program and course pre-requisites for the concurrent enrollment partnership, you are eligible for WSU’s Rising Star Scholarship. The scholarships are available on a first-come, first-served basis and cover the cost of one three-credit hour class. You may use the scholarship for a five-credit hour course such as Math 112, Pre-Calculus, but you will still be responsible for paying the cost of the remaining two credit hours. The scholarship does not cover the $30 admission application fee, books, or class supplies. Talk with your counselor for more information.

Please share this information sheet with your parent or legal guardian.
