- American Institute of Physics (http://www.aip.org)

Next Steps:
- Take a course to explore/confirm your interest in the major(s).
- Ask faculty members about local resources and about what their graduates are doing.
- Talk to someone doing the work you are considering to find out what you would do day-to-day.
- Volunteer in a related role.
- Get involved in a related student or national professional organization.
- Take Career Network Experience to be matched with a mentor.
- Ask your parents about whom they know in your field of interest.
- Find out if graduate work is necessary or preferred for what you want to do.
- Get a part-time job, internship or co-op to explore your field of interest first hand.
