Next Steps:
• Take a course to explore/confirm your interest in the major(s).
• Ask faculty members about local opportunities and about what their graduates are doing.
• Find out if graduate work is necessary or preferred for what you want to do.
• Talk to someone doing the work you are considering to find out what you would do day-to-day.
• Gain Volunteer or Service Learning Experience.
• Get a part-time job, internship or co-op to explore your field of interest first hand.
• Get involved in a related student or national professional organization.
