1. A scholarship will be awarded on a single-year basis to a sophomore, junior or senior enrolled at Wichita State University, Fairmount College of Liberal Arts and Sciences in a premedical course of study. (Donor prefers a larger award to a single student rather than dividing among several students.)

2. No recipient will be excluded from consideration based on race, religion, color, national origin, gender, age, sexual orientation, marital status, status as a Vietnam Era Veteran or disability.

3. Academic excellence by the recipient will be a first priority, though if two (2) students of equal academic grade index compete, financial need will be considered. The Fairmount College of Liberal Arts & Sciences defines "academic excellence" as a minimum 3.0 GPA.

4. At the time that the fund has grown beyond one full tuition grant, additional growth will be put back into the corpus until reaching additional full tuition scholarships.

5. The Office of Financial Aid of Wichita State University will administer the scholarship and make the award. Recommendations submitted by the Fairmount College of Liberal Arts & Sciences will be given priority in consideration.

6. The current scholarship recipient may re-apply, but selection will be done yearly.
