Internet Services

Information about many Wichita State University services is accessible on the World Wide Web. WSU’s Web address is www.wichita.edu. The University home page is updated regularly to provide current and accurate information.

Here are a few highlights of the many services found at www.wichita.edu:

Faculty/Staff Directory
You can access campus telephone numbers and e-mail addresses for WSU faculty and staff by clicking on the faculty and staff phonebook link in the “Highlights” portion of the home page. This section is updated regularly and reflects changes in telephone numbers and addresses since the publication of this directory. You can also search the entire site or gain access to a complete Internet search by clicking on the site “Search” button.

News About the University
Every day you can find something newsworthy about WSU by logging onto the University home page. The first page you see is a compilation of “hot” news and information items that will inform you of what is happening on campus.

Inside WSU/Wichita State University
News Digest
The Office of University Communications publishes Inside WSU, a monthly faculty/staff newsletter, both on-line and in print, during the school year. The University also distributes a weekly e-mail news digest, which users can subscribe to on the University home page.

Calendar of Events
WSU’s calendar is interactive, current, and inclusive. To find out what is happening on campus, just click on the “News” button in the top menu bar on the home page. From the News page you’ll find links to the calendar and you are on your way.

Schedule of Courses
Classes as listed in the Schedule of Courses are posted on the University home page.

About WSU
Getting information about the University is easier than ever. From the history of WuShock to the history of the University, lots of WSU facts are accessible through the home page.

On-line Student Application
Applying to WSU can be done on-line. Prospective students can ask questions on-line and also fill out an admissions application on the Internet.

If you need more information on WSU’s Internet services, contact the On-line Editor at 978-3436.
