Notes:

1. Shaded walls are 11.25" high. All other walls are 5.63 high.

2. All walls are 0.75" thick.
Notes:

1. All solid shaded areas are holes that are cut all the way through the wall (.75" deep).
Notes:

1. Shaded areas are solids that have been "cut into". The only exception is the ramp. See Build instructions for ramp support structure.
Fish Tank and Ocean Painted Zones

Notes:

1. The Fish Tank area is painted with the "Turquoise" paint in the BOM.

2. The Ocean area is not painted. The color of the course base is the color of the inside of the Ocean Area.

3. The Ocean Area is marked by a 0.50" painted stripe ("Rise N' Shine" color in BOM) on the OUTSIDE edge of the hypotenuse of the triangle that is dimensioned in the drawing.
Notes:

Use this template to cut out Nemo game piece from the Whitewood board in the BOM (We used a jigsaw).
