Guide to Applications to the Medical Laboratory Sciences Program

To be eligible for admission into the Medical Laboratory Sciences professional program, the applicant must be accepted by Wichita State University (WSU) and have completed or be in the process of completing all general education and pre-professional requirements (all pre-professional courses must be completed with a grade of 2.0 (C) or better) and have a grade point average of 2.5 or above, on a scale of 0-4.0. Review the criteria for admissions in the Medical Laboratory Sciences professional program. Application for admission into WSU should name Medical Laboratory Sciences as the field of study.

Please apply in the semester in which you will complete general education and pre-professional prerequisites. Admission to the professional program is determined by the Admissions Committee of the Medical Laboratory Sciences.

Please complete the application by:

  April 1 for fall admission
  November 1 for spring admission

Apply for Admission to Wichita State University (available on-line), if not already a WSU student

Required for Application for the Medical Laboratory Sciences Program:

  Application* for the Medical Laboratory Sciences Program (online application)
  Three references*: two from individuals who know your science abilities (science professors or employers in clinical or science-based services), and one personal reference. References from family will not be accepted. It is the responsibility of the applicant to request and ensure that three references are submitted as part of the application. Please request that references use the online reference form.
  Official transcripts from ALL Colleges or Universities attended

*Application and reference forms may be printed and completed by hand. All completed printed forms should be submitted to:

  Department of Medical Laboratory Sciences
  Wichita State University, Ahlberg Hall, Room 107
  1845 Fairmount, Box 43
  Wichita, Kansas 67260-0043

*Official transcripts should be requested to be sent to:

  Wichita State University
  Office of Undergraduate Admissions
  1845 Fairmount
  Box 124
  Wichita, KS 67260-0124

Application material will be reviewed by the Admission Committee shortly after the application submission deadline. Applications may be reviewed after the deadline for available openings.

Upon acceptance, you will receive a Letter of Acceptance, requesting a $100 deposit fee to reserve your place in the program; a form to be completed stating that you accept the offer; directions for the background check; and form for submission of health information. The deposit will be used toward required program tuition for the first professional semester. Acceptance of the offer must be made within two weeks of the offer in order to reserve your place in the program.

In accordance with the directives of the Americans with Disabilities Act, students must inform the department within two weeks of any reasonable accommodations necessary to ensure that special needs necessary for learning are met.

Please contact Jean Brickell, program director, at (316) 978-5655 or jean.brickell@wichita.edu with comments or questions. Thank you for considering the Medical Laboratory Sciences Program.
