Lindsay Jervis
Mrs. Jervis has been teaching elementary music for five years and is currently teaching at Oatville Elementary School in USD 261. She completed her Kodály Certificate at Wichita State University and is working towards her Masters in Music with a Kodaly Emphasis at WSU. In 2013, Lindsay began creating resources for the Kodaly inspired classroom. She shares her ideas and creations on her blog at pursuitofjoyfulness.blogspot.com as well as on TeachersPayTeachers.com, an open marketplace where teachers can share with other teachers around the world.

What to expect: At this workshop, Lindsay will walk you through the steps she takes when she creates rhythmic and melodic visuals for her classroom. Bring your laptop and create alongside her in PowerPoint. There will be built in work time so that you can leave with visuals you can use in your classroom.

What to bring:
• Laptop that has PowerPoint or equivalent (Lindsay works on a PC and can answer most questions that may come up concerning PowerPoint. If you work on a Mac, try using Keynote; however, some things may be different for you)

Workshop Costs
• $15 Non-OAKE
• $10 OAKE Members
• Free to college students,

Saturday, February 7th (9:00 AM—12:00 PM)
Registration at 8:30

Pre-register at KMEK.org for seating. Registration will still be accepted at the door!
