Health Professions Learning Module

Infectious Control
and
HIPPA

To fulfill the Infectious Control and HIPPA* practicum requirements please email Amy.McClintock@wichita.edu and ask to be enrolled to take the Infectious Control and HIPPA exam. Please allow one full business day for the test to appear on your Blackboard. The test must be passed with 100% correct. The test may be taken more than one time. After you successfully passed the test with 100% correct, email Amy.McClintock@wichita.edu and notify her that you have done so.

*Infectious Control is renewed yearly. HIPPA is a onetime requirement.
