  - CHEM
    - BIO 271 Microbiology (LAB)
  - CHE 125 College Chemistry I (LAB)

It is the policy of Wichita State University (WSU) to accept all credits – with the exception of remedial coursework – earned at a post-secondary institution accredited by one of the U.S. regional accrediting agencies. Each academic college or department within WSU determines how those credits apply toward a particular degree program. Sometimes there can be a significant difference between what transfers and what counts toward a degree, especially if the courses are vocational in nature.

FURTHER STUDY and ISSUES & PERSPECTIVES COURSES:
Students entering WSU having earned an Associate of Arts (AA), or an Associate of Science (AS) from a Kansas Public Community College will have satisfied WSU’s GenEd curriculum provided that s/he successfully completes two Tier 3 GenEd courses numbered 300 or above at WSU (with a grade of C- or better). Tier 3 courses are those designated as Advanced Further Studies or Issues & Perspectives. Student must also have completed all four Foundation Courses. AMENDMENT TO WSU GENERAL EDUCATION POLICY—MAY 2014.

NOTE* for KS Community College Transfer Students Earning an AA or AS:
Students entering WSU having earned an Associate of Arts (AA), or an Associate of Science (AS) from a Kansas Public Community College will have satisfied WSU’s GenEd curriculum provided that s/he successfully completes two Tier 3 GenEd courses numbered 300 or above at WSU (with a grade of C- or better). Tier 3 courses are those designated as Advanced Further Studies or Issues & Perspectives. Student must also have completed all four Foundation Courses.
