2016-2017 Transfer Guide

Elementary Education or
Early Childhood Unified

It is the policy of Wichita State University (WSU) to accept all credits – with the exception of remedial coursework – earned at a post-secondary institution accredited by one of the U.S. regional accrediting agencies. Each academic college or department within WSU determines how those credits apply toward a particular degree program. Sometimes there can be a significant difference between what transfers and credits are accepted at one college or department within the University and another. Sometimes there can be a significant difference between what transfers and credits are accepted at one college or department within the University and another.
