### Recommended Transfer Courses

**College of Education**
**DODGE CITY COMMUNITY COLLEGE**
**2016-2017 Transfer Guide**

#### Secondary English
It is the policy of Wichita State University (WSU) to accept all credits – with the exception of remedial coursework – earned at a post-secondary institution accredited by one of the U.S. regional accrediting agencies. Each academic college or department within WSU determines how those credits apply toward a particular degree program. Sometimes there can be a significant difference between what transfers and what counts toward a degree, especially if the courses are vocational in nature.
