Contact Teacher Timeline

**December**

- New survey for Cooperating Teachers - Rescheduled for Spring to allow for a more complete and accurate survey.

**January**

- New placements begin on January 22

ESOL TIP

Set appropriate targets. All students are reaching for the same goal, but are starting at different places. This is sometimes more evident with ESOL students. Be sure to set appropriate goals and make the student aware of the goals. Continue to raise the bar as the students reach their goal.
