Tell It Like It Is: Candor in Contemporary Video Art

More than fifty years ago, the Wichita Art Museum opened its doors with a mission to enrich the lives of Kansas art lovers. Today, the Ulrich Museum of Art, part of Wichita State University, remains dedicated to serving Kansas' art community by offering educational programs, cultural events and exhibitions, and Rare Art Collection. We are a member institution of the Association of Art Museum Directors, and we are an accredited museum by the American Alliance of Museums.

The Ulrich Museum of Art houses one of the largest, most diverse collections of art in the region.

The Ulrich's New Art Center opened in October 2009 and offers space for new and emerging artists to create unique art-making experiences. In 2012, the Ulrich will present a Biennial Exhibition of student work.

The Ulrich is a hub for creative activity and a vibrant center for art. The museum's comprehensive galleries and spaces provide a unique setting for educational and cultural events, performances, lectures, and films. The Ulrich hosts many local and national artists, curators, and exhibitions.
