III. President Bardo Meeting Report
   a. Brett Morrill reported that he discussed the grievance policy committee recommendations with Dr. Bardo. Dr. Bardo has forwarded to Davis Moses for legal review. Frankie Kirkendoll also reported that consultants, Aon Hewitt, will also be looking at all employment policies and will recommend changes. The grievance committee has been asked to table the project until then.

   b. Brett Morrill reported to Dr. Bardo that the senate took a digital poll of all unclassified professional employees regarding the Tobacco Free Wu & Me resolution. The poll received 25% participation and voted 2 to 1 to approve the resolution. Dr. Bardo is pleased with the way the senate is handling this question.

   c. Brett Morrill discussed the appointment of Eric Sexton as Vice President of Student Affairs. Dr. Bardo explained that he felt the appointment was necessary in order to give stability to Student Affairs.

   d. All constituent heads met with Dr. Bardo to discuss the budget. The Kansas legislature still has not made any budget decisions, so we are on hold. This could impact salary increases for FY16. If the decision is made too late to meet payroll deadlines, or we receive budget cuts, we may need to wait until December for increases. It is also a possibility that unclassified professionals may not receive a salary increase, dependent on what the legislature approves for funding. The president considers USS personnel a priority since they have gone six years without receiving a pay increase while under the civil service system.
IV. New/Old Business

a. Election of At-Large Senators for 2015-2016 – Brett Morrill reported that there are two nominations for the two At-Large senator seats; Lyston Skerritt and Michael Yeung. Discussion followed. The board voted unanimously to appoint both to the senate next year.

b. Further discussion and plan to move forward on Tobacco Free Wu & Me resolution – Brett Morrill will send out a digital vote so that all senators may participate. Response to the question should be emailed to Brett with a CC to Ellen Abbey and Mark Porcaro.

c. Special Committee Reports

   i. Evaluation Committee – Connie Dietz has sent the committee recommendation to Brett Morrill and Linnea Glenmaye. Again, this is a policy that HR consultants, Aon Hewitt, will review.

   ii. Grievance Committee – Per the conversation by the senate and Director of Human Resources, the committee will table the policy until we hear back from Aon Hewitt.

   iii. CBIZ Update – The HR leadership is scheduled to have a conference call update with CBIZ on June 20, 2015.

d. Constitutional Handling of Reorganizations and Small Divisions – No report. Will discuss next meeting.

e. What Does an Unclassified Professional award system look like that promotes collaboration and innovation? – Brett will ask Dr. Vizzini to attend the June meeting to discuss this idea. The senate agreed that the award system should be tied in with evaluations.

VI. As May Arise
   a. Brett Morrill has taken action to set up an Image Now folder to scan historical documents for the senate. This will alleviate the new president having to keep boxes of old materials. We will continue to keep current documents and “how-to” items in the Cube.
