2012 Kansas Science Olympiad
Coach’s Evaluation

Please take a few moments and complete this evaluation. These comments are the basis for making changes at the State Tournament. You can e-mail it to greg.novacek@wichita.edu or fax it to 316-978-3350.

Division: B  or  C  Are you here as (circle one):  a Regional Winner  or  Full Team

1. What did you like best about this year’s Olympiad?

2. What should be changed for next year?

3. What was the most frustrating part of the day for your students?  for you as a coach?

4. Was all the material contained in your coach’s packet necessary?  Was all the material in the student’s packets necessary?  If we put maps in your packet to distribute to your students could we eliminate the student packets (envelopes)?

5. If you had the power to change anything with regard to Kansas Science Olympiad, what would you change?
6. Which event(s) did your students have difficulty preparing for? Why?

7. How do your students benefit from participating in Science Olympiad?

8. In the last few years the number of schools participating in Kansas Science Olympiad has dropped by about 15%. Please share any ideas you have as to why this has occurred; any suggestions you may have to get either new or old schools interested in Kansas Science Olympiad.

9. Why do you coach a Science Olympiad team?

8. Additional Comments
