2016 KSO State Tournament
Registration Check List

You will need to bring the following items to registration between 7:30 am and 8:45 am in room 233 of the Rhatigan Student Center. You will not receive your packet until we have them in hand.

___ A copy of your team registration signed by your principal and listing your cell phone number.

___ Publicity release forms for each student and coach you are bringing as part of your team.

___ Payment for any pre-ordered meals and/or t-shirts. Please bring a copy of the invoice indicating what your payment is. If you need a receipt, bring a second copy of the invoice which we can mark paid and return to you. (If your district can not issue a check in time, we will accept a copy of the paperwork you initiated to get the check cut. The district can then send us the check when they have it.)

Also make sure that each of your students has a photo id on their person at all times. Event coordinators will be doing spot checks to make sure the name tag and id match.
